Plunkett's Automobile Industry Almanac 2009

The Only Comprehensive Guide to Automotive Companies and Trends

*Plunkett Research, Ltd. Franklin, Jack, Marla, Thadius, and Caitlin... this unlikely group of assorted misfits are the Cemeterians, a group that will take on any job - no, really, we mean any bloody job (money's a bit tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists, creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-schedule long enough to get the job done! Not likely.*

### Car Buyers' Guide for Women

Publishamerica Incorporated The author went undercover for three months during the first part of 2003, observing, investigating and collecting information on the automobile industry. The author was an actual salesman for a multi-franchise new car dealership. The information contained herein is the actual experiences of this former federal marshal. Citing federal codifications in Title 15 and Title 18 of the United States Code, and Fair Credit Laws imposed by the United States Government, the information contained is not hearsay, conjecture, or secondary information, but actual observation and direct testimony. You will read about the Monroney Act, the federal law making car manufacturers put on "Sticker Price" labels, so you, the buyer, know what you are getting. This sets the stage for all new car sales. Now we need to get legislation to get this type of sticker on all used cars.

### Strategies for Smart Car Buyers

Edmunds Publications In the Internet age, Edmunds.com has emerged as the foremost authority on buying or leasing new or used cars. A key component to learning the industry's insider secrets involved sending an Edmunds.com editor to work undercover at multiple car dealerships. That information, along with knowledge gleaned from countless buying experiences and numerous dealership sources, has been honed into step-by-step buying and leasing strategies. Many car-buying books give tips and advice, but this book outlines proven buying scenarios, clearly explaining the consumer's course of action in simple terms. This complex and sometimes frightening process is demystified in a guide that covers the following subjects: \* How car buying has become easier and faster than ever before \* How to choose the right car for you \* New car-buying strategies \* Getting a used car bargain \* Avoid leasing pitfalls and getting a good deal \* Insuring your car for less money
