## Oleanna

**Dramatists Play Service, Inc.** A male college professor uses an interview with one of his female students to take advantage of her.

## David Mamet's Oleanna

**A&C Black** David Mamet is widely considered to be the voice of contemporary American Theatre. His use of what is taken to be realistic language together with minimalist staging creates a postmodern combination that pushes an audience in conflicting directions. The result is that initial audiences for Oleanna were aroused to applaud and loudly react to the ending of the play when a male teacher beats a female student. The issues the play raises about political correctness are turned on their head. Oleanna is a particularly complex play in terms of both form and content and this guide offers a theoretically informed introductory analysis. It provides students with a comprehensive critical introduction to the play and includes new interpretations of the text in light of recent developments in Mamet's playwriting and the intervening shifts in the political landscape.

## Visions of Oleanna - Volume One

## Featuring the Fantastic

## Photographic Art of Frederick Potter

**Createspace Independent Pub** Visions of Oleanna - Volume One is the first of several editions showcasing the glamour and fine art nude modeling of Oleanna and the photographic art of Frederick Potter. Offered in several smaller volumes to keep the price affordable, every collector of fine art erotica will be able to own at least one edition. Born in the industrial city of Kryvyi Rih in the Ukraine, Oleanna grew up

dreaming of a better life and to see the world outside of her poor, tiny apartment. Others mocked her dreams as those of a foolish and naive girl and urged her to forget her fantasies and accept her hard life. But she did not wish to follow the other girls around her to marry any man that came along so that she might have some better way of life. Despite the ridicule she steadfastly listened to the voice in her soul that told her if she only waited, her dreams would become a reality. Frederick, an accomplished photographer of many years, quickly saw the amazing potential that Oleanna had. Her sense of style, her magical ability with makeup and hair and her natural talent as a model soon resulted in Frederick deciding to focus his talents to produce a large body of work featuring Oleanna. Their collaborative work soon became internationally recognized as some of the most cutting edge photographic art in the industry. Oleanna's beauty and talent, together with Frederick's amazing technical and creative skills, soon produced fantastic fantasy art that were featured in magazines, art galleries and web sites around the world. Their work became the first photo fantasy art to be awarded a four page spread in Heavy Metal Magazine. The CTV television network featured two Alberta Prime Time episodes on their work and the amazing modelling talents of Oleanna. Today, Oleanna has become a popular international glamour model and her fine art nudes and erotic fantasy images have become in increasing demand by art collectors and publications around the world.

## Shift of Power in David Mamet's Oleanna

### A Study Within Grice's Cooperative Principles

This article is devoted to analyze verbal interactions in Oleanna [1993] within Grice's Cooperative Principles [1975] in order to illustrate how the shift of power gradually takes place in the academic discourse of the play. Maxims of this principle are applied on John's utterances in the first act on which the foundation of asymmetric relationship is laid. As expected within Grice's framework, the breaching of maxims, besides their observation, is performed by John through four ways of violating, opting out, clashing and flouting. The conversational implicatures consequently generating from the flouting of some maxims, most frequently of quality, and quantity, conflict with Carol's assumptions about the state of professorship in academic context which motivate her for gaining power. The study, thereby, aims to demonstrate how clashing and flouting of maxims by John make him weak to Carol's new voice and culminate in reversal in teacher-student relationship in the play.

# Three Uses of the Knife

## On the Nature and Purpose of Drama

**Vintage** The purpose of theater, like magic, like religion . . . is to inspire cleansing awe. What makes good drama? And why does drama matter in an age that is awash in information and entertainment? David Mamet, one of our greatest living playwrights, tackles these questions with bracing directness and aphoristic authority. He believes that the tendency to dramatize is essential to human nature, that we create drama out of everything from today's weather to next year's elections. But the highest expression of this drive remains the theater. With a cultural range that encompasses Shakespeare, Brecht, and Ibsen, Death of a Salesman and Bad Day at Black Rock, Mamet shows us how to distinguish true drama from its false variants. He considers the impossibly difficult progression between one act and the next and the mysterious function of the soliloquy. The result, in Three Uses of the Knife, is an electrifying treatise on the playwright's art that is also a strikingly original work of moral and aesthetic philosophy.

## Proceedings of the Board of Supervisors for Dunn County

### Visions of Oleanna - Volume Three

This is the third volume in a series of fine art photo books featuring the incredible beauty and modeling talent of Oleanna. Building on the success of the first two volumes, this book features many new, never seen before images that will challenge your imagination and become some of your favorite images in your collection. Oleanna is published in over eight different countries, has been the subject of gallery exhibits, has posed for commercial and artistic magazine spreads and was the first model to have a four page spread of her images published in Heavy Metal Magazine. The CTV television network did a special segment on her for their Alberta Prime Time segment and web sites from around the world have featured her on their pages. Her modeling has even made it to Afghanistan where she sent over 4,000 special postcards to the troops featuring a retro pinup image created just for them. Her fan site [www.Oleanna.com](http://www.Oleanna.com) received hundreds of letters from the troops thanking her for her outstanding support. If you are a collector of fine art erotica, you will want at least one of the "Visions Of Oleanna" series in your collection. Each page features a full color reproduction of some of her best work. Together with Frederick Potter, an internationally celebrated photo artist, this collection will be a treasure for the library of any serious collector. The decision was made to produce several smaller books

instead of one large one so that anyone can afford to have at least one of these amazing photo art books in their collection. These images will be remembered as some of the finest photo art from this generation.

## The Shawl and Prairie Du Chien

**Grove Press** A small-time mystic trying to bilk a bereaved woman of her inheritance and a card game on a violent train ride are the bases for two new plays by the Pulitzer Prize-winning playwright

## Spice

## Flavors of the Eastern Mediterranean

**Harper Collins** On a trip to Turkey as a young woman, chef Ana Sortun fell in love with the food and learned the traditions of Turkish cooking from local women. Inspired beyond measure, Sortun opened her own restaurant in Cambridge, Massachusetts, the award-winning Oleana, where she creates her own interpretations of dishes incorporating the incredible array of delicious spices and herbs used in eastern regions of the Mediterranean. In this gorgeously photographed book, Sortun shows readers how to use this philosophy of spice to create wonderful dishes in their own homes. She reveals how the artful use of spices and herbs rather than fat and cream is key to the full, rich flavors of Mediterranean cuisine -- and the way it leaves you feeling satisfied afterward. The book is organized by spice, detailing the ways certain spices complement one another and how they flavor other foods and creating in home cooks a kind of sense-memory that allows for a more intuitive use of spice in their own dishes. The more than one hundred tantalizing spice categories and recipes include: Beef Shish Kabobs with Sumac Onions and Parsley Butter Chickpea and Potato Terrine Stuffed with Pine Nuts, Spinach, Onion, and Tahini Crispy Lemon Chicken with Za'atar Golden Gazpacho with Condiments Fried Haloumi Cheese with Pear and Spiced Dates Absolutely alive with spices and herbs, Ana Sortun's recipes will intrigue and inspire readers everywhere.

## The Cryptogram

**Vintage** In this gripping short play, David Mamet combines mercurial intelligence with genuinely Hitchcockian menace. The Cryptogram is a journey back into childhood and the moment of its vanishing—the moment when the sheltering world is suddenly revealed as a place full of dangers. On a night in 1959 a boy is waiting to go on a camping trip with his father. His mother wants him to go to sleep. A family friend is trying to entertain them—or perhaps distract them. Because in the dark corners of this domestic scene, there are rustlings that none of the players want to hear. And out of things as innocuous as a shattered teapot and a ripped blanket,

Mamet re-creates a child terrifying discovery that the grownups are speaking in code, and that that code may never be breakable.

## True and False

# Heresy and Common Sense for the Actor

**Vintage** One of our most brilliantly iconoclastic playwrights takes on the art of profession of acting with these words: invent nothing, deny nothing, speak up, stand up, stay out of school. Acting schools, "interpretation," "sense memory," "The Method"—David Mamet takes a jackhammer to the idols of contemporary acting, while revealing the true heroism and nobility of the craft. He shows actors how to undertake auditions and rehearsals, deal with agents and directors, engage audiences, and stay faithful to the script, while rejecting the temptations that seduce so many of their colleagues. Bracing in its clarity, exhilarating in its common sense, True and False is as shocking as it is practical, as witty as it is instructive, and as irreverent as it is inspiring.

# The Theatre Arts Audition Book for Women

**Routledge** First published in 2003. The Theatre Arts Audition Books offer one hundred speeches from plays of the past twenty-five years, fifty in a volume for men, fifty in a volume for women. Each excerpt is preceded by a note situating the play and the selection. Speeches come from a wide range of plays, including David Mamet's Oleanna, Caryl Churchill's Serious Money, Martin McDonagh's The Beauty Queen of Leenane, Jim Cartwright's Road, and Timberlake Wertenbaker's Our Country's Good, as well as plays by Anthony Minghella, Mark Ravenhill, Sue Townsend, Alan Ayckbourn, and others. Annika Bluhm has assembled two sparkling collections of monologues that will challenge and inspire the actor

## Boston Marriage

**Vintage** One of America's most provocative dramatists conquers new territory with this droll comedy of errors set in a Victorian drawing room. Anna and Claire are two bantering, scheming "women of fashion" who live together on the fringes of society. Anna has just become the mistress of a wealthy man, from whom she has received an enormous emerald. Claire, meanwhile, is infatuated with a young girl and wants to enlist the jealous Anna's help for an assignation. As the two women exchange barbs and taunt their hapless maid, Claire's inamorata arrives and sets off a crisis that puts both the valuable emerald and the women's future at risk. Mamet brings his trademark tart dialogue and impeccable plotting, spiced with Wildean wit, to this

wickedly funny comedy.

# Visions of Oleanna - Volume Four

## Featuring the Fantastic

## Photographic Art of Frederick Potter

In this fourth volume in the "Visions of Oleanna" series, we have introduced some new contemporary elements such as the exciting Steampunk genre as well as some cutting edge post production techniques that have become possible with the new advancements in digital imaging technology. These volumes celebrate the amazing career of one of the most prolific and sought after glamour models today. Her images are destined to become iconic from this era and it is our great honor to be able to share her beauty and talent with the world at large. Few models, today or in the past, have the range, talent and beauty to portray the many varied looks that has become her trademark. Oleanna is published in over twelve different countries, has been the subject of gallery exhibits, has posed for commercial and artistic magazine spreads and was the first model to have a four page spread of her images published in Heavy Metal Magazine. The CTV television network did a special segment on her for their Alberta Prime Time segment and web sites from around the world have featured her on their pages. Her modeling has even made it to Afghanistan where she sent over 4,000 special postcards to the troops featuring a retro pinup image created just for them. Her fan site [www.Oleanna.ca](http://www.Oleanna.ca) received hundreds of letters from the troops thanking her for her outstanding support. Recently, Oleanna has been the subject of the new "Sensual Goddess Tarot Deck", a monumental project that took about three years to create. This Tarot deck is currently being published along with the companion art book "The Fantastic Photo Art of the Sensual Goddess Tarot Deck". Search for these titles for more of her amazing work and consider the investment value of collecting this seminal release of the Tarot genre. If you are a collector of fine art erotica, you will want at least one of the "Visions Of Oleanna" series in your collection. Each page features a full color reproduction of some of her best work. Together with Frederick Potter, an internationally celebrated photo artist, this collection will be a treasure for the library of any serious collector. The decision was made to produce several smaller books instead of one large one so that anyone can afford to have at least one of these amazing photo art books in their collection. These images will be remembered as some of the finest photo art from this generation.

## South of the Northeast Kingdom

**National Geographic Books** Compared to some of its New England neighbors, Vermont has seemed to long-time resident David Mamet a place of intrinsic energy and progressiveness, love and commonality. It has lived up to the old story that settlers came up the Connecticut River and turned right to get to New Hampshire

and left to get to Vermont. Is Vermont's tradition of live and let live an accident of geography, the happy by-product of 200 years of national neglect, an emanation of its Scots-Irish regional character? Exploring the ways in which his decades in Vermont have shaped his character and his work, Mamet examines each of these strands and how the state's free-thinking tradition can survive in an age of increasing conglomeration. The result is a highly personal and compelling portrait of a truly unique place.

## Resources in Education

Serves as an index to Eric reports [microform].

## Rooms in Dramatic Realism

**Routledge** *Dramatic Realism*, since its birth in the hectic late years of the nineteenth century, gave theatrical and thematic energy to the interaction between a play's text and the way that it looked on the stage. Characters began to find themselves in rooms and settings that played an active and changing role in the drama, and their dialogue and reactions evolved in time with these changes. As life itself became more elaborate during the 20th Century, so these rooms were invaded and then defined by the outside world. Fred Miller Robinson's enjoyable and stimulating essays on this enduring genre tackle the dreams and anxieties of the middle classes of the Industrial Revolution – dreams of domestic comfort and refuge, and anxieties about how entrapping that comfort could be. Moving from Ibsen to Chekhov and onwards into later plays in which the reality of 'Realism' comes under scrutiny, this is a book to dip into before a performance or to study during a class.

## Best Practices in Designing Courses with Open Educational Resources

**Routledge** *Best Practices in Designing Courses with Open Educational Resources* is a practical guide that assists faculty and institutions looking to adopt and implement open educational resources (OER) and to foster meaningful, effective learning experiences through the course design process. Chapters loaded with tips, case examples, and guidance from practitioners advise readers through each step necessary for sustainable OER initiatives, from preliminary planning and course redesign through teaching, learning, and faculty development. Written by two authors with direct experience in training higher education professionals to use OER, this is a comprehensive resource for faculty, instructional designers, course developers, librarians, information technologists, and administrators hoping to rethink and refresh their curricula by moving beyond traditional textbooks. An authors' website expands the book with resources, templates, and examples of implementation models, including faculty development workshop OER materials that can be adopted by readers.

# Real Theatre

## Essays in Experience

**Cambridge University Press** Theatre is often said to offer unique insights into the nature of reality, but this obscures the reality of theatre itself. In *Real Theatre*, Paul Rae takes a joined-up approach to the realities of theatre to explain why performances take the forms they do, and what effects they have. Drawing on examples ranging from *Phantom of the Opera* and Danny Boyle's *Frankenstein*, to the performances of the Wooster Group and arthouse director Tsai Ming-liang, he shows how apparently discrete theatrical events emerge from dynamic and often unpredictable social, technical and institutional assemblages. These events then enter a process of cultural circulation that, as Rae explains, takes many forms: fleeting conversations, the mercurial careers of theatrical characters and the composite personae of actors, and high-profile products like the Hollywood movie *Birdman*. The result is a real theatre that speaks of, and to, the idiosyncratic and cumulative experience of every theatre participant.

## Federal Register

## The Frog Prince

## A Play

**Samuel French, Inc.**

## Index-digest, Decisions of the United States Department of the Interior

## Warm and Cold

**Grove/Atlantic** A poetic depiction of what keeps you warm when it is cold, from good clothes and steam to the sound of talk and the love that you keep with you wherever you go.

# Exploring the Language of Drama

## From Text to Context

**Routledge** Exploring the Language of Drama introduces students to the stylistic analysis of drama. Written in an engaging and accessible style, the contributors use techniques of language analysis, particularly from discourse analysis, cognitive linguistics and pragmatics, to explore the language of plays. The contributors demonstrate the validity of analysing the text of a play, as opposed to focusing on performance. Divided into four broad, yet interconnecting groups, the chapters: open up some of the basic mechanisms of conversation and show how they are used in dramatic dialogue look at how discourse analysis and pragmatic theories can be used to help us understand characterization in dialogue consider some of the cognitive patterns underlying dramatic discourse focus on the notion of speech as action there is also a chapter on how to analyse an extract from a play and write up an assignment

## Wilson

# A CONSIDERATION OF THE SOURCES

**Abrams** The transcripts take the reader on an intellectually breathtaking tour through David Mamet's baroque, fragmented world, where nothing is certain except the certainty bestowed by the academy. After the Cola riots, the fire at the Stop 'n' Shop, and the death of my kitten, what remains? Does the Joke Code still operate? Has anyone seen my copy of Bongazine? Can Jane of Trent unlock this paranoia? What were Chet and Donna doing in the boathouse? And just who does Ginger think she is? In playing with the ideas of perception, accuracy, and truth, Wilson dares to doubt them all.

## Chicago Tribune Index

## Goldberg Street

## Short Plays and Monologues

**Grove/Atlantic** From the Pulitzer Prize- winning author of Glengarry Glen Ross, here is a collection of thirty-two one-act plays and short dramatic pieces that David Mamet himself considers to be some of the best writing he has ever done.

## Big Picture, Small Screen

# The Relations Between Film and Television

**Indiana University Press** This work features contributions from academics and media professionals who ask: what is the history of involvement between film and television in the US, Europe, Britain and Ireland; what are the sources of television finance for film; and what are the consequences for the type of film made?

## The Adding Machine

## A Play in Seven Scenes

## The New York Times Theater Reviews

## Every Brilliant Thing

**Dramatists Play Service, Inc.** You're six years old. Mum's in hospital. Dad says she's "done something stupid." She finds it hard to be happy. So you start to make a list of everything that's brilliant about the world. Everything that's worth living for. 1. Ice cream. 2. Kung Fu movies. 3. Burning things. 4. Laughing so hard you shoot milk out your nose. 5. Construction cranes. 6. Me. You leave it on her pillow. You know she's read it because she's corrected your spelling. Soon, the list will take on a life of its own. A play about depression and the lengths we will go to for those we love.

## M. Butterfly

**Dramatists Play Service Inc** THE STORY: Bored with his routine posting in Beijing, and awkward with women, Rene Gallimard, a French diplomat, is easy prey for the subtle, delicate charms of Song Liling, a Chinese opera star who personifies Gallimard's fantasy vision of submiss

## Unconventional Warfare (Special

## Forces, Book 1)

**Scholastic Inc.** Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

## The New York Times Theater Reviews, 1920- American Buffalo

**Grove/Atlantic, Inc.** American Buffalo, which won both the Drama Critics Circle Award for the best American play and the Obie Award, is considered a classic of the American theater. Newsweek acclaimed Mamet as the "hot young American playwright . . . someone to watch." The New York Times exclaimed in admiration: "The man can write!" Other critics called the play "a sizzler," "super," and "dynamite." Now from Gregory Mosher, the producer of the original stage production, comes a stunning screen adaptation, directed by Michael Corrente and starring Dustin Hoffman, Dennis Franz, and Sean Nelson. A classic tragedy, American Buffalo is the story of three men struggling in the pursuit of their distorted vision of the American Dream. By turns touching and cynical, poignant and violent, American Buffalo is a piercing story of how people can be corrupted into betraying their ideals and those they love.

## Duroc-Jersey Swine Record / Make Believe Town Essays and Remembrances

**Back Bay Books** Make-Believe Town brings together David Mamet's acute insights into everyday life, the arts, and politics. These pieces evidence Mamet's love of language, particularly the introductory essay, "Eight Kings", which celebrates the

private languages of carpenters, carnival workers, and all crafts and trades, and "The Northern Novel", which propounds Mamet's affection for the line of American fiction exemplified by Willa Cather and Theodore Dreiser. Some of the essays are prose portraits from Mamet's life: "Deer Hunting" and "The Diner" delineate worlds far from the public eye. Make-Believe Town also contains beautifully written recollections of Mamet's early days as a writer ("Girl Copy"), his start in the theater ("Memories of Off Broadway"), his education as a gambler ("Gems From a Gambler's Bookshelf"), and bygone days on Broadway ("Delsomma's"). Mamet's incisive thoughts about public issues - support for the arts, nudity in films, the roles given Jewish characters, even the posthumous rehabilitation of Richard Nixon - round out a far-reaching collection.

## Recessional

# The Death of Free Speech and the Cost of a Free Lunch

**HarperCollins** "Savagery appeased can only grow. Once you give in to it, it must escalate, like a fire searching for air." The man who won the Pulitzer Prize for GLENGARRY GLEN ROSS, who wrote the classic films THE VERDICT and WAG THE DOG sounds his alarm about the Visigoths at our gates. In RECESSIONAL he calls out, skewers, mocks, and, most importantly, dissects the virus of conformity which is now an existential threat to the West. A broad-ranging journey through history, the Bible, and literature, RECESSIONAL examines how politics and cultural attitudes about rebellion have shifted in the United States in the last generation. By screaming down freedom of thought and expression, Mamet explains, we kill invention and democracy - the foundations of security and growth. A wickedly funny, wistful and wry appeal to the free-thinking citizen, RECESSIONAL is a vital warning that if we don't confront the cultural thuggery now, the commissars and their dupes will transform the Land of the Free into the dictatorship at which they aim.

## Stand-Up Comedy

# The Book

**Dell** If you think you're funny, buy this book! Whether you dream of becoming a star . . . A better public speaker . . . A more effective communicator . . . A funnier, happier human being . . . You can learn to leave 'em laughing! David Letterman learned to do it. Jay Leno learned to do it. Roseanne Barr learned to do it. So can you! Now successful stand-up comic Judy Carter—who went from teaching high school to performing in Las Vegas, Atlantic City, Lake Tahoe, and on over 45 major TV shows—gives you the same hands-on, step-by-step instruction she's taught to students in her comedy workshops. She shows you how to do it: create an act.

perform it, make money with it, or apply it to everyday life. Discover:

- The formulas for creating comedy material
- How to find your own style
- The three steps to putting your act together
- Rehearsal do's and don'ts
- What to do if you bomb
- Ways to punch up your everyday life with humor

## On Directing Film

**Viking Adult** Describes the basic principles of film making, argues that directing is an extension of screenwriting, and explains how films tell stories
