Face2face. Student's Book with DVD-ROM. Upper-intermediate 2nd Edition Life Upper-Intermediate

National Geographic Learning National Geographic Learning brings the world to your classroom with Life, a six-level integrated-skills series featuring content from National Geographic presented through stunning images, text, and video. Learners will strengthen their existing global connections while learning the English skills needed for communication in the 21st century. To encourage a generation of informed decision-makers, Life prepares learners to think critically while teaching the English skills needed to communicate effectively. A practical, competency-based syllabus helps learners in their development of grammar, vocabulary, functions, pronunciation and skills through appropriate communicative tasks. Real life lessons model and practice everyday functions, preparing learners to use language in the real world. National Geographic video in each unit allows teachers to bring lessons to life. Information-rich topics and a carefully designed critical thinking syllabus challenges learners to understand texts at a deeper level. Vocabulary is introduced thematically, with additional emphasis on key words and word building in Word focus and Word building sections.

Face2face Upper Intermediate Student's Book with DVD-ROM

Cambridge University Press "The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on 'real world' language for social situations. The listening and reading material provides fresh new angles on universal topics and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalised. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students regular opportunities to evaluate their progress." - product description.
