First Aid for the Match, Fifth Edition

McGraw Hill Professional *Make or break advice on getting into the residency program of your choice* Written by medical students who recently completed the match process *First Aid for the Match* is a insider's guide to preparing for and succeeding in the match process. The fifth edition features a new, two-color interior design, the latest statistics and advice on matching in each specialty and major sub-specialty, advice on preparing for the 4th year of medical school, and special considerations for IMGs and residents with young families. A chapter on what to do if you don't match ("the scramble") is also included. Chapters on polishing your CV and writing stellar application essays, plus tips on "wowing" them during the interview, will help you map your career path and plan appropriately for success. Features Statistics and advice on matching in all major specialties and now--NEW!--major sub-specialties Includes perspectives by residents/fellows about each sub-specialty and why/how they chose it, what their thought process was in choosing it, the attractions and challenges of the field, the future of the field, etc. Application and interview tips, including expanded section on interview questions to include more questions for all interviews, as well as for each specialty. Added examples of difficult or unexpected questions and examples of good ways to think about answering certain questions and things to avoid saying Expanded section of CVs and high-impact personal statements with real examples and advice on what not to do. Advice for international medical graduates and residents with young families Advice on travelling to interviews, with new ideas and tips for travel/lodging, and useful websites Comprehensive guide to the match and planning for match success. Although some information is available on the internet

(some not reliable), this book gathers it all in one place and adds valuable insider information and advice. The content you need to get the match you want: The Match, Setting Up The Fourth Year, Choosing and Matching in Your Specialty, Weighing Your Options, What If I Can't Decide?; Your Specialty and the Match, Transitional-Year Program, Anesthesiology, Dermatology, Emergency Medicine, Family Practice, Internal Medicine & Medical Sub-Specialties, Med-Peds, Neurology, Neurosurgery, Obstetrics and Gynecology, Ophthalmology, Orthopaedics, Otolaryngology, Pathology, Pediatrics & Pediatric Sub-Specialties, Physical Medicine and Rehabilitation, Psychiatry, Radiology, Radiation Oncology, Surgery & Surgical Sub-Specialties, Urology, IMGs and the Match Process, Getting Residency Information and Applications, The Application, The CV, The Personal Statement, Gearing Up For Interviews, Interview Day, The Rank List and Match Day, After The Match, Appendix A: Worksheets for Application Requirements, Appendix B: Program Evaluation Worksheet, Appendix C: Recommended Resources, About the Authors

First Aid for the Match: Insider Advice from Students and Residency Directors

McGraw Hill Professional *The purpose of FIRST AID FOR THE MATCH is to help medical students effectively and efficiently navigate the often complex residency application process. It is designed to help students make the most of their limited time, money, and energy. In the spirit of FIRST AID FOR THE USMLE STEP 1, this book is a student-to-student guide that draws on the advice and experiences of medical students who have successfully gone through the Match and are now training in the programs of their choice.*

Journey to Gone

Creating Zoom Travel

Xlibris Corporation *Journey to Gone A TOMORROWS CHILDREN SERIES BOOK* By Theodore J. Gourley Jr. Ed.D It begins with Pop Pop saying Sit down children and listen to the story of the creation of the Gone Machine and Zoom Travel that Roy and I created and our adventures along the way Jon was the first Gone Machine traveler. He thought hed be alone in cyber space; he didnt know there were pirates there! What was that? It almost killed me! The Journey to Gone is the story of two very different boys who become lifelong friends. When they meet, Jon is an outgoing middle school student with an interest in art, girls, sometimes sports but never school work. Roy is disabled, picked on by bullies, reserved, brilliant and an honor student. As they grow they realize that what one lacks the other has and in time their combined talents, knowledge and imagination resulting in numerous inventions and adventures. Their inventions range from Tat-Go which easily and painlessly removes old tattoos to make room for new ones, to mind controlled cars, to a teleportation device they name Gone Machine because once youre in it and push the button all that remains of you is Gone. Their success attracts worldwide attention including the envy of those who want to steal their ideas. The results include robberies, sabotage, murder, and adventures across the globe and into Cyber Space, the land of the Gone Machine and Cyber Pirates. Along the way Jon and Roy become inventive, courageous adults.

Current Techniques in Small Animal Surgery, Fifth Edition

CRC Press *Current Techniques in Small Animal Surgery, Fifth Edition* provides current information regarding surgical techniques from the perspective of clinicians who are performing specific procedures on a regular basis. It is intended to be concise, well illustrated, and reflective of the writer's experience, both good and bad. The emphasis with this volume is technique. The pathophysiologic principles and applications are covered in the companion volume, *Mechanisms of Disease in Small Animal Surgery, Third Edition*. These two books are regarded by most practitioners and students as being a two-volume set.

The 1920 Edition of the Book of Mormon

A Centennial Adventure in Latter-day Saint Book History

Greg Kofford Books *Members of The Church of Jesus Christ of Latter-day Saints tend to see the Book of Mormon through the lens of personal use, as a single textual and scriptural monolith—the Book of Mormon. That is somewhat natural, since we tend to have at hand and in-use, only the copy or version in our language needed to study it for inspiration. In the process, the point tends to get overlooked that while we may accept the text as inspired, the physical embodiment of that text—the Book of Mormon—is a mortal reality. The Book of Mormon, while it has a “spirit,” also has a mortal “body” (or rather, bodies) existing in space and time. As such, it has a history—and because it comes to us in the form of a book, it also has a book history. This study is divided into three parts. The first part is a straightforward history of the edition’s editing, production, and manufacturing processes. It examines key points in the reprint history of the book, following important factors in the subsequent impressions of the work across nearly thirty years of re-impressions, corrections, transfers, and one new format. The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true-blooded bibliophiles. The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III, together resolve once and for all the question of what constitutes the 1920 edition and what does not.*

The History of Rome (Complete Edition: Vol. 1-5)
From the Foundations of the City to the Rule of Julius
Caesar

e-artnow *The History of Rome is a five volume history of ancient Rome written by Theodor Mommsen, dealing mainly with the Roman Republic. First volume deals with the Roman origins and covers the period anterior to the abolition of the Monarchy. Second volume depicts events from the abolition of the Monarchy in Rome to the union of Italy. Third volume deals with the Punic Wars and the*

subjugation of Carthage and the Greek states. Volume four covers the Revolution, dealing with the Gracchi, Marius, Drusus, and Sulla. Final volume covers the Civil War and the establishment of the military monarchy during the reign of Julius Caesar.
