The Big Book of Tarot Meanings

The Beginner's Guide to Reading the Cards

Fair Winds Press Find precise answers to your urgent questions—*The Big Book of Tarot Meanings* takes you beyond typical, generic card meanings by breaking each card down into eight interpretation categories. Interpreting card meanings is the most exciting aspect of reading tarot. However, it is also the most challenging, especially if you are new to the art. For example, basic tarot interpretation would have you understand that *The Lovers* card has to do with relationships—but what if your question had to do with career or health? How are you left to interpret the meaning? *The Big Book of Tarot Meanings* solves these dilemmas by breaking down each card into the eight most-queried categories, starting with *Beginnings* and ending with *Outcome*, with a meaning for each category, upright and reversed. No longer will you have to vaguely extrapolate meaning and insight for diverse questions from the same generic description often given in other beginner tarot books. In addition to providing fine-tuned interpretations, *The Big Book of Tarot Meanings* solves a second common question that comes with a tarot reading—How do I apply this knowledge to my everyday life?—by giving you an action item for each meaning, upright and reversed. A summary of what this comprehensive tarot meaning book offers: A welcoming introduction to the basics of tarot and instructions for using the book *Meanings* for all 78 cards of the Major and Minor Arcana, with the various interpretations for each card organized into eight categories—*Beginnings*, *Career*, *Money*, *Love*, *Friends & Family*, *Health*, *Higher Guidance*, and *Outcome*—both upright and reversed. An action item for every meaning, upright and reversed, to give you clear tools to work with and steps to take to move forward in the most aligned way. With *The Big Book of Tarot Meanings*, you'll never struggle again to know how the cards are answering you.

WTF is Tarot?

...& How Do I Do It?

Young Blood, Old Magic: A No-Nonsense Approach to the Ancient Art of Reading Tarot You do not need to learn the tarot because you already know it. It is from this radical jumping off point that *WTF Is Tarot* breaks down the ancient art of cartomancy. This fresh, accessible and sometimes cheeky guide sheds a holistic light on how to read tarot, from the foundation of magic itself to understanding those tricky court cards to offering readings to others. In *WTF Is Tarot*, author and tarot reader Bakara Wintner unpacks the magic of the Major and Minor Arcana with shamanic wisdom and girl boss wit, illuminating their meaning with thoughtful anecdotes and analogies that reveal how deeply rooted these symbols already are in our everyday lives: we can feel the Moon in a howling barefoot run through Prospect Park, accept the grace of Temperance in falling in love or a divine intervention, "ghost the haters" with the Six of Swords, or identify when it's time to let go of an ex with the Hanged Man. *WTF is Tarot* offers far more than a

refreshingly candid tutorial on card reading. Bakara goes on to investigate the magic of crystal healing, chakras, meditation and other magical practices. This young witch offers not just a guide, but an invitation for even the most mundane Muggles to welcome magic into their lives, and for experienced wizards to rediscover it once again.

From the growing darkness of Samhain to the fertility and flowers of Beltane, weave a web of tarot magic as you celebrate the ever-changing world around you and within you. In the following excerpt, author Christine Jette describes the Lady of the Hunt spread. This spread is intended to be used near the time of the waxing moon. Lady of the Hunt In this spread, "project" means any creative endeavor or career/study plan. "Relationship" can be new love, coworkers, family, or friendships. You are the Lady of the Hunt and your question becomes your quest. If you have something specific in mind, ask your question while shuffling the cards. For example, "Tell me what I need to know about my new (love, work situation, etc.)." Breathe deeply and shuffle your tarot deck. When you are ready, lay the cards out in the shape of a waxing crescent moon. Position 1 - This begins your project or relationship: Your life experience, what you bring from the past into the new situation. What brought you to this moment? Position 2 - This shapes your project or relationship: Outside influences, significant events, other people that shape the situation. Position 3 - This is at the center of your project or relationship: The main theme, lesson, opportunity or challenge of the situation. The focus card; all other cards revolve around the center and it carries the most weight in the reading. Position 4 - What your project or relationship needs to succeed: The effort you will make, the "elbow grease" required for your goals and ambitions to be realized, the follow-up too your magical workings on the physical plane. Position 5 - The direction or path of your project or relationship: Where you are headed, the future outlook. Position 6 - Advice card: What is the best course of action to take with this new project or relationship? What do you need to know now? To complete the Maiden reading, you can meditate with the cards, write a journal entry, keep the cards on the altar until the next waxing moon, or simply close. Carry a card or two with you during the day to strengthen the connection between you and your Maiden Spirit's desire. Affirm your personal power to create your destiny: "I awaken to my own creative powers. This, or something better, is manifesting for me now, for the good of all, harming no one, according to free will. So must it be."
