Bankruptcy of Our Nation "It's no secret that the U.S. national debt is in the tens of trillions. But did you know that America also has future unfunded obligations of over \$118 trillion? Unfortunately, America's politicians have no plan to solve our mounting fiscal and monetary crisis. But you don't have to watch this unfold in fear of your financial future. The time for debate is over.... It's time to prepare! In this revised and expanded release of Bankruptcy of Our Nation, Jerry Robinson offers you the ultimate financial survival guide. Money Wise DVD Money Wise is a fun, engaging, and fact-filled DVD journey into God's wisdom on work and money. Throughout Money Wise, Chad Hovind explores God's principles, His teachings, and His directions for living a life of liberty, prosperity, and generosity. Chad presents a biblical case for free-market enterprise, and offers God's perspective for the economic decisions of an individual, a family, and even a nation. Money Wise explains that God wants us to live a life of freedom to serve him, to provide for ourselves, and to bless others. **Studies in World History Volume 3 (Teacher Guide) The Modern Age to Present (1900 AD to Present)** New Leaf Publishing Group Teacher guides include insights, helps, and weekly exams, as well as answer keys to easily grade course materials! Within fourteen months he published Common Sense, the most influential pamphlet of the American Revolution, and began a career that would see him hailed and reviled in the American nation he helped create. In Common Sense, Paine sets forth an inspiring vision of an independent America as an asylum for freedom and an example of popular self-government in a world oppressed by despotism and hereditary privilege. The American Crisis, begun during "the times that try men's souls" in 1776, is a masterpiece of popular pamphleteering in which Paine vividly reports current developments, taunts and ridicules British adversaries, and enjoins his readers to remember the immense stakes of their struggle. They are joined in this invaluable reader by a selection of Paine's other American pamphlets and his letters to George Washington, Thomas Jefferson, and others. **The Earth and Its Peoples: A Global History** Cengage Learning Featuring a beautiful new design, THE EARTH AND ITS PEOPLES, 7th Edition, presents world history in a balanced, global framework, shifting the focus away from political centers of power and toward the living conditions and activities of ordinary people. You may be in for a pleasant surprise because THE GLOBAL WEST isn't a typical Western civ textbook. Developed by authors who've spent years helping a diverse range of students understand history, the book uses stories of ordinary people and their impact on history, along with stunning images and maps that make the subject interesting. You'll also have lots of help learning concepts with learning objectives, an easy-reading narrative and a clear message that helps you get the origins of today's interconnected world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. **The Global West: Connections & Identities** Cengage Learning THE GLOBAL WEST: CONNECTIONS AND IDENTITIES (formerly MAKING EUROPE) isn't a traditional Western civ textbook-- instead, it paints a globally connected portrait of the West through the lenses of politics, religion, social history, biography and cultural identity. Developed by authors who've spent years making history accessible to a diverse range of students, the book excels at teaching students the who, what and how of the subject: how to read primary documents, how to compare and contrast Western and non-Western sources and how to draw connections across time and geographic regions. Western civilization is the most difficult history course for many students. With a clear message that helps them grasp the origins of today's interconnected world, THE GLOBAL WEST aims to change that.
