THE GLUTEN-FREE GOURMET BAKES BREAD

MORE THAN 200 WHEAT-FREE RECIPES

Henry Holt and Company A breakthrough bread book by the unchallenged expert in gluten-free and wheat-free cooking. In Bette Hagman's three earlier cookbooks, she worked with gluten-free flours that are safe for celiacs (those who are intolerant to gluten) and for those with wheat allergies, to create recipes that actually taste good. Knowing from her own hard-won experience that bread is the greatest loss for the wheat, oats, rye, or barley intolerant, she has experimented with exciting new bean-based flours and now devotes an entire book to breads. Here are yeast breads, yeast-free breads, muffins, rolls, buns, breakfast breads, and crackers-a veritable cornucopia to be made in the oven or the bread machine for people who cannot buy breads at a bakery or supermarket but must rely on their own kitchens to provide the staff of life. Along with dozens of great recipes comes a medical foreword by Peter H. R. Green, M.D., of the College of Physicians and Surgeons of Columbia University; a beginner's guide to understanding and cooking with gluten-free flours; answers to commonly asked questions about baking with these flours; and a source list of where to buy gluten-free baking supplies. The Gluten-Free Gourmet Bakes Bread joins Hagman's three previous books, each recognized as the best in this special diet category.

CHILD PROOF

PARENTING BY FAITH, NOT FORMULA

New Growth Press As a freedom-over-formula parenting book for moms, dads, and caregivers of all ages, *Child Proof* provides biblical insight and encouragement for readers who want to parent by faith. As an experienced counselor of children and families and an adoptive and foster mom applying the CCEF model of biblical change, Julie Lowe uses Scripture and biblical wisdom to teach caregivers how to know their children and specifically love them with the love of Christ. Every family is unique, which is why *Child Proof* explores the need for parents to cultivate personal and intimate care for their children as modeled in God's individual, personal, and fatherly care to his children. This child-rearing book lays a foundation of parenting by faith and progresses by teaching readers how they can know their own kids well and raise them accordingly. By discussing particular issues moms and dads might have in family life, Lowe demonstrates how formulas aren't the answer, and parenting with biblical wisdom is best for a proactive rather than reactive approach to parenting. Through Lowe's personal and professional experience, moms, dads, and caregivers, as well as those helping parents—pastors, counselors, youth workers, and churches—will discover gospel-centered application rather than formulas for the ideal family, equipping guardians to be experts at knowing their own children so they can know Scripture and live it out personally in their homes. By establishing a mind-set rather than a model or a step-by-step "how to" approach to parenting, *Child Proof* empowers readers to come up with their own blueprint for their families through a biblical framework.

WHEN JESUS WAS A GREEN-EYED BRUNETTE

LOVING PEOPLE LIKE GOD DOES

Worthy Books When *Jesus Was a Green-Eyed Brunette* weaves heartwarming and miraculous stories of Jesus showing up in ordinary people, revealing that He knows us and is fully present in our everyday circumstances, especially in our difficulties. As best-selling author Max Davis puts it, "When we are born again, Jesus lives inside each of us. He is very much alive today and still does incredible things -- sometimes supernatural things -- through us!" Davis's own life was dramatically altered when he first came face-to-face with Jesus living inside a green-eyed brunette. That encounter started a forty-plus-year journey where

Jesus became his best friend. When we see others as God sees us we will love them as God loves us. Those hurting and weary from worn-out religion are longing for a fresh touch from the living Jesus. By letting Jesus live through us we become a conduit of His love. Authentic Christianity is not about religion but a relationship with Jesus. Davis challenges us to do more than simply receive His grace -- we need to allow grace to soften, change, and shape us. As you read this book, you will laugh, cry, and come face-to-face with the living Jesus.

PARENTING FIRST AID STUDY GUIDE: HOPE FOR THE DISCOURAGED

New Growth Press As a companion small group resource to Parenting First Aid by Marty Machowski, this study guide reminds parents they aren't alone in their struggles, providing an opportunity to talk about their challenges and pray for and encourage other parents. Each of the ten chapters of Parenting First Aid Study Guide contain book excerpts, Scriptures for encouragement, and questions to help stimulate discussion and application exercises. Machowski reminds men and women to rest in God's sovereign ability to reach and rescue their children. Unlike many other Christian parenting books, this resource helps moms and dads find comfort and hope in Christ rather than relying on techniques or to-do lists that fail to deliver what they seem to promise. So many moms and dads hide their child-rearing struggles, but by sharing together and praying for one another in a small group setting, parents can find encouragement, support, and community as they learn to trust God together in the midst of hardship. Raising kids isn't getting any easier, especially with the introduction of insta-porn on electronic devices, the ease of access to drugs, and the ever-increasing blurring of sexuality. This study guide is for weary mothers, fathers, and guardians who are overwhelmed with their children's choices and the culture that wars against their souls. For moms and dads with small struggles or weighty parenting trials--such as children involved with drugs, sexual sin, and teenage rebellion--this small group guide offers a place to begin conversations with other parents; seek community, Scripture, and prayer; and remember they aren't alone.
