### Authority and Female Authorship in Colonial America

University Press of Kentucky Should women concern themselves with reading other than the Bible? Should women attempt to write at all? Did these activities violate the hierarchy of the universe and men's and women's places in it? Colonial American women relied on the same authorities and traditions as did colonial men, but they encountered special difficulties validating themselves in writing. William Scheick explores logonomic conflict in the works of northeastern colonial women, whose writings often register anxiety not typical of their male contemporaries. This study features the poetry of Mary English and Anne Bradstreet, the letter-journals of Esther Edwards Burr and Sarah Prince, the autobiographical prose of Elizabeth Hanson and Elizabeth Ashbridge, and the political verse of Phyllis Wheatley. These works, along with the writings of other colonial women, provide especially noteworthy instances of bifurcations emanating from American colonial women's conflicted confiscation of male authority. Scheick reveals subtle authorial uneasiness and subtextual tensions caused by the attempt to draw legitimacy from male authorities and traditions.

The Time Traveler's Wife

Night Bookmobile Editions A most untraditional love story, this is the celebrated tale of Henry DeTamble, a dashing, adventuresome librarian who inadvertently travels through time, and Clare Abshire, an artist whose life takes a natural sequential course. Henry and Clare's passionate affair endures across a sea of time and captures them in an impossibly romantic trap that tests the strength of fate and basks in the bonds of love. "Niffenegger's inventive and poignant writing is well worth a trip" (Entertainment Weekly).

Into the Deep

An Unlikely Catholic Conversion

Wipf and Stock Publishers Into the Deep traces one woman's spiritual odyssey from birthright evangelicalism through postmodern feminism and, ultimately, into the Roman Catholic Church. As a college student, Abigail Favale experienced a feminist awakening that reshaped her life and faith. A decade later, on the verge of atheism, she found herself entering the oldest male-helmed institution on the planet--the last place she expected to be. With humor and insight, the author describes her gradual exodus from Christian orthodoxy and surprising swerve into Catholicism. She writes candidly about grappling with wounds from her past, Catholic sexual morality, the male priesthood, and an interfaith marriage. Her vivid prose brings to life the wrenching tumult of conversion--a conversion that began after she entered the Church and began to pry open its mysteries. There, she discovered the startling beauty of a sacramental cosmos, a vision of reality that upended her notions of gender, sexuality, identity, and authority. Into the Deep is a thoroughly twenty-first-century conversion, a compelling account of recovering an ancient faith after a decade of doubt.

The Poems of Edward Taylor

UNC Press Books Now considered America's foremost colonial poet, Edward Taylor was virtually unknown until some of his poems were discovered in the Yale library and published in 1937. The intellectual brilliance and the emotional intensity of his poetical meditations have led critics to compare him to John Donne and George Herbert. These poems are now recognized as one of the great achievements in American devotional literature.

Love and Capital

Karl and Jenny Marx and the Birth of a Revolution

Little, Brown Brilliantly researched and wonderfully written, LOVE AND CAPITAL reveals the rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death. Drawing upon previously unpublished material, acclaimed biographer Mary Gabriel tells the story of Karl and Jenny Marx's marriage. Through it, we see Karl as never before: a devoted father and husband, a prankster who loved a party, a dreadful procrastinator, freeloader, and man of wild enthusiasms--one of which would almost destroy his marriage. Through years of desperate struggle, Jenny's love for Karl would be tested again and again as she waited for him to finish his masterpiece, Capital. An epic narrative that stretches over decades to recount Karl and Jenny's story against the backdrop of Europe's Nineteenth Century, LOVE AND CAPITAL is a surprising and magisterial account of romance and revolution--and of one of the great love stories of all time.

Anne Bradstreet. A New England Puritan Female Experience

GRIN Verlag Essay from the year 2016 in the subject English - Literature, Works, grade: 5,00, Warsaw University (English Philology), course: III, language: English, abstract: An appropriate understanding of a Puritan woman is basic in the history of America. Without this understanding, an awareness of American heritage is lost. The first European-American women are the carriers of significant messages and legacy for their offspring. Primary sources help to understand the women such as Lady Hoby, Anne Bradstreet, Sarah Goodhue and Margaret Winthrop. These women were represented of the Puritan females experience. The fullest descriptions are written by women who delighted in their families

and God. This essays shows Anne Bradstreet's life as a Puritan woman through her writings.

## From Puritanism to Postmodernism

## A History of American Literature

Routledge Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, *From Puritanism to Postmodernism: A History of American Literature* brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville, Fitzgerald, Pound, Wallace Stevens, Gwendolyn Brooks and Thomas Pynchon. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury. It is published here for the first time.

## Women's Literary Creativity and the Female Body

Springer This volume addresses one aspect of a challenging topic: what does it mean for women to create within particular literary and cultural contexts? How is the female body written on textuality? In short, how is the female body analogous to the geographical space of land? How have women inhabited their bodies as people have lived in nation-states?

## Domestic Revolutions

## A Social History Of American Family Life

Simon and Schuster An examination of how the concept of "family" has been transformed over the last three centuries in the U.S., from its function as primary social unit to today's still-evolving model. Based on a wide reading of letters, diaries and other contemporary documents, Mintz, an historian, and Kellogg, an anthropologist, examine the changing definition of "family" in the United States over the course of the last three centuries, beginning with the modified European model of the earliest settlers. From there they survey the changes in the families of whites (working class, immigrants, and middle class) and blacks (slave and free) since the Colonial years, and identify four deep changes in family structure and ideology: the democratic family, the companionate family, the family of the 1950s, and lastly, the family of the '80s, vulnerable to societal changes but still holding together.

## Producing Women's Poetry, 1600-1730

## Text and Paratext, Manuscript and Print

Cambridge University Press *Producing Women's Poetry* is the first specialist study to consider English-language poetry by women across the seventeenth and early eighteenth centuries. Gillian Wright explores not only the forms and topics favoured by women, but also how their verse was enabled and shaped by their textual and biographical circumstances. She combines traditional literary and bibliographical approaches to address women's complex use of manuscript and print and their relationships with the male-generated genres of the traditional literary canon, as well as the role of agents such as scribes, publishers and editors in helping to determine how women's poetry was preserved, circulated and remembered. Wright focuses on key figures in the emerging canon of early modern women's writing, Anne Bradstreet, Katherine Philips and Anne Finch, alongside the work of lesser-known poets Anne Southwell and Mary Monck, to create a new and compelling account of early modern women's literary history.

## The Road Less Travelled

## A New Psychology of Love, Traditional Values and Spiritual Growth

Random House 'Life is difficult. This is a great truth, one of the greatest truths.' A timeless classic in personal development, *The Road Less Travelled* is a landmark work that has inspired millions. Drawing on the experiences of his career as a psychiatrist, Scott Peck combines scientific and spiritual views to guide us through the difficult, painful times in life by showing us how to confront our problems through the key principles of discipline, love and grace. Teaching us how to distinguish dependency from love, how to become a more sensitive parent and how to connect with your true self, this incredible book is the key to accepting and overcoming life's challenges and achieving a higher level of self-understanding.

## Inventing Herself

## Claiming a Feminist Intellectual Heritage

Simon and Schuster Sure to take its place alongside the literary landmarks of modern feminism, Elaine Showalter's brilliant, provocative work chronicles the roles of feminist intellectuals from the eighteenth century to the present. With sources as diverse as *A Vindication of the Rights of Woman* and *Scream 2*, *Inventing Herself* is an expansive and timely exploration of women who possess a boundless determination to alter the world by boldly experiencing love, achievement, and fame on a grand scale. These women tried to work, travel, think, love, and even die in ways that were ahead of their time. In doing so, they forged an epic history that each generation of adventurous women has rediscovered. Focusing on paradigmatic figures ranging from Mary Wollstonecraft and Margaret Fuller to Germaine Greer and Susan Sontag, preeminent scholar Elaine Showalter uncovers common themes and patterns of these women's lives across the centuries and discovers the feminist intellectual tradition they embodied. The author brilliantly illuminates the contributions of Eleanor Marx, Zora Neale Hurston, Simone de Beauvoir, Margaret Mead, and many more. Showalter, a highly regarded critic known for her provocative and strongly held opinions, has here established a compelling new *Who's Who* of women's thought. Certain to spark controversy, the omission of such feminist perennials as Susan B. Anthony, Eleanor Roosevelt, and Virginia Woolf will surprise and shock the conventional wisdom. This is not a history of perfect women, but rather of real women, whose mistakes and even tragedies are instructive and inspiring for women today who are still trying to invent themselves.

## Good Christian Sex

## Why Chastity Isn't the Only Option-And Other Things the Bible Says About Sex

HarperCollins Moving beyond the deep-seated cultural feelings of shame that have long fueled the conflict between Christianity and sex—and the belief that there is only one right and valid way to practice one's sexuality—this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in

ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, *Good Christian Sex* combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, *Good Christian Sex* is a message of hope, that at last lifts the veil of shame felt by many religious people.

## Homage to Mistress Bradstreet

Farrar Straus Giroux *Homage to Mistress Bradstreet*, long poem by John Berryman, written in 1948-53 and published in 1956. Noted for its intensity, it is a tribute to colonial poet Anne Bradstreet that also reveals much about the author. The poem examines the tension between Bradstreet's personal life and her artistic life, concluding in a spirit of fatalism. It shows throughout a loving and intimate grasp of the details of American history. The work primarily examines creative repression, religious apostasy, and the temptation to adultery.

## The Leaf Path

## Poems

Poetry. Emily Warn is a poet of kinship and harmony. And she often uses narrative to establish surprising relationships. Warn's poems define a sensibility that is fully in focus, one that expresses a reverence for humanity and nature as two participants in a greater whole. Eschewing unnecessary artifice and the latest literary fads, she writes poems, it seems, only from necessity, from great faith in a possible world. In selecting *THE LEAF PATH* for the 1981 King County Arts Commission Publication Project, Susan Griffin wrote: "Emily Warn's poetry is feeling, moving, dealing with the powerful and deepest part of being, yet delicately, even precisely crafted. This is a new voice we will all be blessed for hearing."
