As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. ## Searching the Scriptures

### Find the Nourishment Your Soul Needs

*NavPress* Are you getting the spiritual nourishment you need? We've all experienced times when we have not eaten a balanced diet or we've eaten too many sweets. We feel sick, light-headed, and occasionally depressed, or we become irritated and edgy. It's the body's way of letting us know that it's lacking sufficient nourishment. Optimal health requires optimal nutrition. The same is true spiritually speaking. Without sufficient and regular biblical nutrition, our inner life begins to suffer the consequences. We become shallow and selfish, more demanding and less gentle, and quick to react impatiently, rashly, and angrily. These are telltale signs of inner malnutrition. In *Searching the Scriptures*, respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives. He outlines the principles of Bible study that will help you understand God's Word, apply it, and communicate it clearly to those around you. Too many people try to go it alone, without a guide, for this life and the next. Chuck explains how we can fix our own spiritual meals, then invites us to feast on nourishing truths we can discover in God's Word.

## Deeper Insights

## Biblical Questions from the Four Gospels - Volume II

*Notion Press* The Gospels are the life-transforming accounts of Jesus when He walked on this earth. They are fascinating, chronicling His sacrificial death and resurrection, powerful miracles, compassionate interactions, and authoritative teaching. But some things are difficult to understand at first glance. Like, what did Jesus mean when He said, "Have salt in yourselves, and be at peace with one another." (Mark 9:50)? Or what did He mean when referring to a winnowing fork when discussing judgment? Or why do we have only four Gospels? Christopher Arulanand and Dr Santha Christopher have mined the depths of the Gospels to provide readers with deeper insights, answer their questions and expand their knowledge of the Gospels. They provide a rich cultural and literary background that sheds light on Jesus' teachings and clarifies essential spiritual principles. All of this is done in an easy-to-read question-and-answer format. Find answers to your questions and ask new questions in this insightful resource from seasoned ministry leaders.

### She Reads Truth

### Holding Tight to Permanent in a World That's Passing Away

*B&H Publishing Group* She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

### Habits of Grace

### Enjoying Jesus through the Spiritual Disciplines

*Crossway* The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it's hearing God's voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God's children today.
