HOW SWEET IT IS

Forever "HOW SWEET IT IS will set your heart on fire" -Robyn Carr, New York Times bestselling author "One sweet read! Everything I love best: humor, warmth, emotions that pull at the heartstrings, characters that step off the page, and a wonderful love story." --

Mariah Stewart, New York Times bestselling author HOW SWEET IT IS Single mom Lizzie Bea Carpenter learned long ago that no white knight was coming to save her. A hardworking waitress at the local diner, she's raising her daughter to be like the independent women in her "Enemy Club"--high school rivals turned best friends, promising to always tell each other the whole truth and nothing but! Yet part of Lizzie wishes she did have a man's help, just for small stuff, like fixing up the house. Her fairy godmother must have been listening, because Dante "Tay" Giovanni soon appears. He's sexy, kind, and offering assistance--no strings attached. Slowly, steadily, Lizzie's heart opens. But the grip of the past is fierce, and nothing in life is ever really free. Tay has his own tragedies to overcome, but if he can, he'll fix more than Lizzie's home. He'll show her just how sweet it is to be loved by him.

Random House Leo Fisch is a young man with a brilliant future ahead of him. He is bright, sociable and on the verge of moving in with his beautiful girlfriend, Kathryn. Outwardly, at least, he seems happy. Then when a sinister discovery is made in a forest near Leo's home town, a figure from childhood re-enters his life. David Caldwell is tough and aggressive; the very opposite of the company Leo now keeps. Unlikely friends, they are bound by a shared summer - and a shared secret - they had promised to forget. As past and present begin to close in, the comfortable life Leo has created for himself starts to unravel. Their terrible truth begins to emerge and Leo must confront not only the awkward, fragile boy he once was, but the events of that summer which threaten to destroy them both.

SICK

Abrams Brian and his friends are not part of the cool crowd. They're the misfits and the troublemakers—the ones who jump their high school's fence to skip class regularly. So when a deadly virus breaks out, they're the only ones with a chance of surviving. The virus turns Brian's classmates and teachers into bloodthirsty attackers who don't die easily. The whole school goes on lockdown, but Brian and his best friend, Chad, are safe (and stuck) in the theater department—far from Brian's sister, Kenzie, and his ex-girlfriend with a panic attack problem, Laura. Brian and Chad, along with some of the theater kids Brian had never given the time of day before, decide to find the girls and bring them to the safety of the theater. But it won't be easy, and it will test everything they thought they knew about themselves and their classmates. Praise for SICK "The gore and action will leave enthralled readers thrilled and then sated with each kill on either side." —Booklist "Between the pacing and the heroes' salty, blue language (full of lovingly creative, genital-inspired insults), reluctant readers who love zombies will devour it, right up to the abrupt end." —Kirkus Reviews "Sick is well written, with

great detail, even if it is a little gory." —VOYA Magazine Awards 2014 Quick Picks for Reluctant Young Readers list from YALSA
