Tiny Crimes

Very Short Tales of Mystery and Murder

Catapult Forty very short stories that reimagine the genre of crime writing from some of today's most imaginative and thrilling writers "An intriguing take on crime/noir writing, this collection of 40 very short stories by leading and emerging literary voices—Amelia Gray, Brian Evenson, Elizabeth Hand, Carmen Maria Machado, Benjamin Percy, Laura van den Berg and more—investigates crimes both real and imagined. Despite their diminutive size, these tales promise to pack a punch." —Chicago Tribune, 1 of 25 Hot Books for Summer Tiny Crimes gathers leading and emerging literary voices to tell tales of villainy and intrigue in only a few hundred words. From the most hard-boiled of noirs to the coziest of mysteries, with diminutive double crosses, miniature murders, and crimes both real and imagined, Tiny Crimes rounds up all the usual suspects, and some unusual suspects, too. With illustrations by Wesley Allsbrook and flash fiction by Carmen Maria Machado, Benjamin Percy, Amelia Gray, Adam Sternbergh, Yuri Herrera, Julia Elliott, Elizabeth Hand, Brian Evenson, Charles Yu, Laura van den Berg, and more, Tiny Crimes scours the underbelly of modern life to expose the criminal, the illegal, and the depraved.

Decision Making in Educational Leadership

Principles, Policies, and Practices

Routledge The increased focus on raising standards in education requires leaders to engage in complex decision making about teacher assessment, mandated accountability measures, and the collection and use of large amounts of data. Showcasing exemplary practices of school and district administrators, Decision Making in Educational Leadership covers issues concerning the role of emotion, ethical and legal ramifications, the use of data, and complexity in decision making. Chapter authors in this research-based volume explore what administrators and school leaders actually know about educational problems, how they draw upon and revise theories of action for responding to problems, and which theories are tenable in educational decision making. This important resource provides a broad

and international perspective on effective models and methods of educational decision making and shares valuable knowledge about how theory can be translated into practice in a variety of school settings.

Weird But True!, Level 1

PHILOSOPHY

The Power of Ideas;the Power of Ideas

The History of Our Lord as Exemplified in Works of Art

With that of His Types; St. John the Baptist; and Other
Persons of the Old and New Testament

A History of the Roman People

Pearson College Division **The Fifth Edition of A History of the Roman People continues to provide a comprehensive analytical survey of Roman history from its prehistoric roots in Italy and the wider Mediterranean world to the dissolution of the Roman Empire in Late Antiquity in A.D. 600. Clearly organized and highly readable, the text's narrative of major political and military events provides a chronological and conceptual framework for the social, economic, and cultural developments of the periods covered. Major topics are treated separately so that students can easily grasp key concepts and ideas.**

Science Focus 3

The Science Focus Second Edition is the complete science package for the teaching of the New South Wales Stage 4 and 5 Science Syllabus. The Science Focus Second Edition package retains the identified strengths of the highly successful First Edition and includes a number of new and exciting features, improvements and components.

Legal and Ethical Issues in Nursing

The definitive sourcebook for basic legal knowledge, this reference covers the majority of legal issues in nursing in depth, citing current case examples from courts throughout the United States. It provides practical tips for improving patient care and reducing liability risks, and answers the legal questions most commonly asked by nurses. Offers a thorough explanation of the law, its sources, doctrines, and court system, and combines legal and ethical topics to show readers how both concepts affect nursing practice in all clinical settings. Features You Be the Judge/You Be the Ethicist sections that gives facts (many in great detail) from actual court cases (dating from 1993 to the present), along with questions that direct readers to consider chapter content in light of real court cases.

Cyrion

Penguin **Now for the first time in e-book, a collection of Tanith Lee's short stories and novella about the fantastical adventures of Cyrion, a hero larger than life. Roilant needs a hero—fast. He's trapped, betrothed to his cousin Eliset in**

an agreement made to help the destitute branches of their family line. But rumor has it that Eliset is a witch, a villainess behind the deaths of many in his family, and if Roilant weds her, he'll meet the same fate. Roilant didn't put much stock in the rumors—until, that is, he tried to call off the betrothal. Since then, he's been plagued by a series of nightmares demanding he return to Eliset's side by the end of the month. If he goes to her, he'll surely be murdered for his fortune, but if he stays, he fears his cousin will kill him and his beloved, the woman he loves. Convinced only one man alive can help him, Roilant stumbles into the Honey Garden inn looking for a legend—a man named Cyrion. All anyone seems to have are stories, but everyone's heard tell of the mighty Cyrion. They say that he looks like an angel, with hair like the sky of earnest sunrise. That he's an adventurer, a vanquisher of evil and a defender of man. That he's a fearless swordsman, a master of disguise, and a genius detective. Some say he's defeated demons and outwitted wizards. That he's solved impossible mysteries and survived inescapable death. But is he for real? And—more importantly—is he for hire?

Six Tragedies

[Oxford University Press](#) This is a lively, readable and accurate verse translation of the six best plays by one of the most influential of all classical Latin writers. Men and Days in Phi Beta Kappa

The Book of Bizarre Truths

How late is fashionably late?

The Life of Rylan

Random House Well hark at you, stumbling upon my autobiography. Bet you wouldn't have put money on that three years ago, eh?! Please don't stress yourself out too much, though, it's actually socially acceptable nowadays that you're interested. Firstly I'd like to emphasise that I have WRITTEN THIS BOOK MYSELF, so be assured you're getting the TOOTH, the WHOLE TOOTH and NOTHING BUT THE TOOTH! (Which was my original choice of title, but babe, we're so over that.) This book documents my story, year by year, from my humble beginnings growing up in the East End of London, becoming one of the nation's most talked-about people overnight to finally moving up the spectrum from guilty pleasure, and getting nearer to national treasure. It will make you laugh, cry, and most importantly you'll discover who I really am. If it doesn't do any of those things you're not legally entitled to a refund - just clearing that up ;-). I hope you enjoy reading this book as much as I have enjoyed writing it. This book has been like therapy, and LORD was I in need. Enjoy!

An Introduction to Marriage and Family Therapy

Routledge Now in its second edition, this text introduces readers to the rich history and practice of Marriage and Family Therapy, with 32 professionals from across the US presenting their knowledge in their areas of expertise. This blend of approaches and styles gives this text a unique voice and makes it a comprehensive resource for graduate students taking their first course in Marriage and Family Therapy. The book is divided into three sections: Part 1 focuses on the components on which 21st century family therapy is based and summarizes the most recent changes made to not only therapeutic interventions, but to the very concept of "family." Part 2 presents an overview of the 7 major theoretical models of the field: structural, strategic, Milan, social constructionist, experiential, transgenerational, and cognitive-

behavioral family therapy. Each chapter in this section • Focuses on the founder of the theory, its theoretical tenants, and its key techniques • Shows how the model focuses on diversity • Presents the research that supports the approach

Part 3 addresses specific treatment areas that are common to marriage and family therapists, such as sex therapy, pre-marital therapy, research, and ethics and legal issues. As an introduction to the field of Marriage and Family Therapy, this volume stands above the rest. Not only will readers gain an understanding of the rich history of the field and its techniques, but they will also see a complete picture of the context in which families are embedded, such as gender, culture, spirituality, and sexual orientation. This knowledge is the key to understanding what differentiates Marriage and Family Therapy from individual psychotherapy. Glossaries, case studies, tables, figures, and appendices appear generously throughout the text to present this information and give students a thorough overview to prepare them for their professional lives.

One-Minute Answers to Skeptics

Concise Responses to the Top 40 Questions

Harvest House Publishers Speaking all over the United States about apologetics issues, Charlie Campbell has heard just about every question skeptics have to offer. In this concise, reader-friendly handbook, he provides brief responses to the top-40 questions that keep people from the faith, such as... What evidence do you have that God exists? How do you know the Bible is actually true? What about those who have never heard of Jesus? Will they be condemned to hell? If God is so loving, why does He allow evil and suffering? How can you say Jesus is the only way to heaven? Don't all religions basically teach the same thing? Aren't a lot of churchgoers hypocrites? With a gracious introductory note to

skeptical readers and a generous sprinkling of inspiring quotes throughout, this handy resource is an enjoyable read as well as a powerful evangelistic tool.

Information Technology for Management

Advancing Sustainable, Profitable Business Growth

Wiley This text is an unbound, binder-ready edition. Information Technology for Management by Turban, Volonino Over the years, this leading IT textbook had distinguished itself with an emphasis on illustrating the use of cutting edge business technologies for achieving managerial goals and objectives. The 9th ed continues this tradition with coverage of emerging trends in Mobile Computing and Commerce, IT virtualization, Social Media, Cloud Computing and the Management and Analysis of Big Data along with advances in more established areas of Information Technology. The

book prepares students for professional careers in a rapidly changing and competitive environment by demonstrating the connection between IT concepts and practice more clearly than any other textbook on the market today. Each chapter contains numerous case studies and real world examples illustrating how businesses increase productivity, improve efficiency, enhance communication and collaboration, and gain competitive advantages through the use of Information Technologies.

Legal and Ethical Issues in Nursing

Prentice Hall Fully updated, revised, and expanded, the new edition of **Legal and Ethical Issues in Nursing** reflects current and emerging influences of the law, legal issues, and ethical issues on nursing practice. It addresses the expanding autonomous roles of nurses at all levels of education and licensure, and in all settings. It also reflects innovative health care delivery models, as well as new federal and state laws, including the ACA. This edition's new ethical scenarios more realistically integrate ethics with personal legal accountability, and encourage deeper reflection on connections between law and ethics. Popular features from previous editions are retained, including chapter previews, objectives, key terms, application exercises, guidelines, chapter summaries, and “You Be the Judge” features at the end of each chapter.
