Utilizing his incomparable career and inspired collaborations with Talking Heads, Brian Eno, and many others, Byrne taps deeply into his lifetime of knowledge to explore the panoptic elements of music, how it shapes the human experience, and reveals the impetus behind how we create, consume, distribute, and enjoy the songs, symphonies, and rhythms that provide the heartbeat of life. Byrne's magnum opus uncovers ever-new and thrilling realizations about the redemptive liberation that music brings us all. **The Basque Dialect of Lekeitio** *Universidad del Pais Vasco* This book is a study of the Basque variety spoken in Lekeitio (Vizcaya). As such we have intended to make a direct contribution to Basque dialectology, aiming at setting certain standards for research in this area. In addition, we believe that some of the materials assembled in this work will be of interest to a larger audience beyond Basque specialists. It is for this reason that we decided to write the present book in English. In our opinion, certain linguistic aspects are treated in more detail here than in any previous work on any other Basque variety. A case in point would be accentuation, both at the lexical level and in its relation to the syntactic process of focalization. **Music Reading for Guitar** *Hal Leonard Corporation* (Musicians Institute Press).
