WHAT BECAME OF JACK AND JILL?

RELEASE SCRIPT

TELEVISION SERIES AND SPECIALS SCRIPTS, 1946Ð1992

A CATALOG OF THE AMERICAN RADIO ARCHIVES COLLECTION

McFarland **In the early days of television, many of its actors, writers, producers and directors came from radio. This crossover endowed the American Radio Archives with a treasure trove of television documents. The collected scripts span more than 40 years of American television history, from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming, including comedies, soap operas, dramas, westerns, and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual scripts. Includes an index of personal names, program and episode titles and production companies, as well as a glossary of industry terms.**

JACK AND JILL IN SPACE

A CHILDREN'S MUSICAL

Includes two copies of the script, the score and the musical numbers.

SCRIPTS PEOPLE LIVE

TRANSACTIONAL ANALYSIS OF LIFE SCRIPTS

Open Road + Grove/Atlantic **A "stimulating and thought-provoking" guide to help you make productive and autonomous choices toward rewriting your life (Los Angeles Times). We choose a "life script" at an early age. But you can change its course. Whether born into wealth or poverty, into nurturing families or damaged abusers, fostered by strict parents or careless and undisciplined ones, each individual still has a spiritual core that exists independent of the environment and is equally crucial to his or her destiny. Countering the fundamental principle of psychiatry which asserts that emotional and mental distress comes from within, Claude Steiner believes that people are innately healthy but develop a pattern early in life based upon negative or positive influences of those around them. Those influences can rule every detail of our lives until our death. Thus children decide, however unconsciously, whether they will be happy or depressed, winners or failures, strong or dependent, caring or cruel, and having decided, they spend the rest of their lives making that decision come true. For those who choose to live by their negative script, the consequences can be disastrous unless they make a conscious decision to change. In Scripts We Live, Steiner tackles the puzzle of human fate. He reveals what determines our life scripts, and how each person's combination of spirit and circumstance contributes to the final path that life takes. And he offers hopeful advice and practical analysis so that we all can rewrite for ourselves more meaningful and fulfilling lives.**

OUCH!

"JACK AND JILL"

Teacher Created Materials **Act out the story of Jack and Jill, two children who go up a hill to fetch a pail of water, but get injured along the way! This script includes roles written at various reading levels, allowing teachers to implement differentiation and English language learner strategies into instruction. This feature allows teachers to assign each role based on their students' individual reading levels, encouraging everyone to get involved in the same activity. Whether students are struggling or proficient readers, they can all gain confidence in their reading fluency and feel successful. By performing together, students will also practice interacting cooperatively, reading aloud, and using expressive voices and gestures while storytelling. With an accompanying poem and song to give readers additional fluency practice, this script is a dynamic resource sure to engage a classroom of varied readers.**

READER'S THEATER--"JACK AND JILL"

Teacher Created Materials **This reader's theater script builds fluency through oral reading. The creative script captures students' interest, so they will want to practice and perform. Included is a fluency lesson and approximate reading levels for the script roles.**

ESL CONVERSATION DIALOGUES SCRIPTS 21-30 VOLUME 3: AUSTRALIAN ENGLISH AUSSIE LINGO. BONUS GLOSSARY: 200+ AUSSIE EXPRESSIONS

FOR TUTORS TEACHING MATURE UPPER INTERMEDIATE TO ADVANCED ESL STUDENTS IN PRIVATE ENGLISH LANGUAGE LESSONS

Maldek House **ESL Conversation Dialogues Scripts 21-30 contains dialogues featuring Australian English expressions, with a number of common expressions thrown in to challenge the student. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. The 10 dialogues in volume 3 feature over 200 Aussie English expressions which can give students planning to go to Australia, or those who have recently arrived, a quick crash course**

on common Aussie Lingo. This volume also features a bonus glossary with a brief explanation of what the Australian English words, phrases and idioms mean. Normally a glossary is not included as most native English speakers from Australia would know the meanings of the expressions used in the dialogues in the series, and would be able to explain them to students, but in an effort to help people to understand Australian English, even those native English speaking tutors and teachers who are not Australian would be able to quickly understand these dialogues and be able to teach them to others, with help from the glossary. These dialogues have been tested in private tuition lessons hundreds of times and have received great feedback from students new to Australia who are struggling to understand Australians. It is recommended that tutors add to the enjoyment of the lesson by using a strong Australian accent when reading their part of the dialogue. This series of dialogues and conversations has been released to fulfil a demand in the ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. These have been reformatted for use on an ebook device, so users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor to create their own lessons around these dialogues. For ESL tutors, the ideas are endless. As a tutor I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are more sets of dialogues due out soon. I wish you all the best in teaching Australian English.

ESL CONVERSATION DIALOGUES SCRIPTS 11-20 VOLUME 2: VARIOUS I. CASUAL ENGLISH, AUSTRALIAN ENGLISH, GENERAL DISCUSSIONS, AND CLICHÉD EXPRESSIONS

FOR TUTORS TEACHING MATURE UPPER INTERMEDIATE TO ADVANCED ESL STUDENTS IN PRIVATE ENGLISH LANGUAGE LESSONS

Maldek House The ebook - ESL Conversation Dialogues Scripts 11-20. For Tutors Teaching Mature Upper Intermediate to Advanced ESL Students in Private English Language Lessons. Volume 2: Various I: Casual English, Australian English, Genral Discussions, and Clichéd Expressions - has been developed to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition, as well as pair or group work in the adult classroom. Expressions draw on phrasal verbs, cliches, idioms, slang, Australian English, and more. This volume includes the dialogues: Dialogue 11 - Collector's Fair Dialogue 12 - You Know the Rules Dialogue 13 - It's a Cliché, But... Dialogue 14 - Selection Procedures Dialogue 15 - Mummy's Boy Dialogue 16 - Dating Sights Dialogue 17 - While Away Dialogue 18 - Parental Guidance Recommended Dialogue 19 - At a Loss Dialogue 20 - Backing Staff These have been reformatted for use on a variety of platforms, so that users can practice reading the dialogues out loud, and discuss the language used with their tutor or with each other. These eBooks just contain dialogues. It is up to the tutor or teacher to create their own lessons around these conversation dialogues. As a private conversation and pronunciation tutor for over 16 years, I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are now 10 volumes in the series with more on the way. While upper intermediate level and above is recommended, these dialogues can also be used to challenge upper beginners into improving their reading and pronunciation skills. Approximately 3900 words

LITERACY AND LEARNING

A REFERENCE HANDBOOK

ABC-CLIO Discussing issues of literacy, the teaching of reading, literary education, and literary criticism, this handbook examines the meaning of literacy, its history, its advantages and consequences, and the role of literature.

BUILDING FLUENCY THROUGH READER'S THEATER: NURSERY RHYMES KIT

Teacher Created Materials Make nursery rhymes come to life with these lively, colorful scripts! These stories are based on classic nursery rhymes that children know and love! Young readers will enjoy building fluency through performance. This kit includes eight scripts with leveled roles written at multiple reading levels, making it easy to implement differentiation strategies included in the Teacher's Guide. This feature allows teachers to assign roles to students in a way that best accommodates their individual reading levels. This encourages all students to participate and engage in the same activity, regardless of their current reading ability. All readers can gain confidence and feel successful! By performing these stories together, students will practice important skills like interacting cooperatively, reading aloud, and using expressive voices and gestures. Each script also includes a poem and song to give children additional fluency practice. All of these scripts give students the tools they need to confidently practice repeating reading and performance, making it the perfect resource for a classroom of varied readers! Building Fluency through Reader's Theater: Nursery Rhymes kit includes: 8 scripts, 6 copies each, 16-24 pages per book in print and digital formats; a Teacher's Guide; poems and songs in digital and transparency formats; and professionally recorded audio of scripts, songs, and poems.

RHYTHM & RHYME LITERACY TIME LEVEL 2

Teacher Created Materials What better gift to give students than engaging rhymes to read while building literacy skills? This second-grade classroom resource will enhance students' mastery of phonological awareness, phonics skills, vocabulary, comprehension, fluency, and writing while purposefully playing with rhymes! Each of the fifteen lessons offered in this e-book includes a traditional or original rhyme, six outlined activities, a list of standards and materials, and student reproducibles. Aligned to TESOL, WIDA, Common Core, and other state standards, poetic language activities include rhyming riddles, word sorts, writing connections, reader's theater, and more. Watch your students light up as they recite the rhymes and complete standards-based, hands-on activities in this e-book.

RHYTHM & RHYME LITERACY TIME LEVEL 2

Teacher Created Materials Did you grow up reciting Little Miss Muffet, Jack Be Nimble, and Mary Had a Little Lamb? Mother Goose nursery rhymes have helped generations of children achieve literacy. This second grade classroom resource will help teachers incorporate rhymes into a standards-based curriculum that is aligned to TESOL, WIDA, and Common Care. Students will master phonological awareness, phonics skills, vocabulary, comprehension, fluency, and writing while purposefully playing with rhymes. Watch your students light up as they recite these traditional and original rhymes and complete hands-on activities with this invaluable resource.

SCRIPTS AND COMMUNICATION FOR RELATIONSHIPS

Peter Lang In this introductory text, the authors discuss the basis of relationship scripts, emotions, imagery, and physiology of relationships including romance, friendship, work associates, mentors, and Facebook friends. They argue that people's expectations for relational development influence their communication, faith, and commitment in relationships. Misconstruing sexual or flirtatious intent, for example, is derived from having different scripts about attraction. The book also discusses abusive relationships including characteristics of abusers, stalking, and verbal and physical aggression. --

THE ART AND SCIENCE OF HANDWRITING

Intellect Books Analysing a discipline, this text considers handwriting in its scientific and artistic contexts and reflects a decade's work in both educational and hospital settings.

FALLING WATERS

AuthorHouse **Preston Rhodes was an extraordinary writer. However his actress wife, Carly, didnt want him to over-shadow her talents so she set out to squash every opportunity that came his way. His father died and left Preston an extraordinary gift. It was his memoirs and Preston immediately saw that the book was literary genius. He set out to write a script and it was immediately touted as the next Gone With the Wind. He set out to sell the movie around the country until an errant bullet to his head sent him to a magical town where all the old Hollywood actors dwelled long after their starlight had been extinguished. Falling Waters was the town where spirits thrived and he was sure it was real. He was accepted and spent a lifetime amid the old stars of Hollywood. He met and interacted with all the greats. When he came out of his coma he tried to convince everyone that the town existed but nothing he could do would convince his friends. That is until they understood that miracles do happen.**

STINKIN THINKIN

Lulu.com **Paranoia. London, city of broken dreams and nervous breakdowns leading up to the year 2000 turns into schizophrenic insanity for Isaac a drink and drug addled young writer, stuck in a chemical generation of getting wasted, clubbing, tripping, watching Soap Opera TV. A walking time bomb waiting to explode... he takes on the persona of his new protagonist, James, to life threatening effect, the answer to writing a masterpiece. What happens when you begin to live life as the main character? The wild Marie could be the first step towards achieving his goal. But playing this dangerous game, he'll be stuck with a dangerous female partner who couldn't care less about him. Life begins to imitate art in famous faces, musicians, writers, secret packages, films, petty crime, violence and finally a gun. Events spiral out of control in his double life as two worlds collide - Isaac Versus James for control of his mind and personality. THERE ARE NO INDIVIDUALS ANYMORE. Isaac wants to be one, whatever the cost.**

UNDERSTANDING BLOCKCHAIN AND CRYPTOCURRENCIES

A PRIMER FOR IMPLEMENTING AND DEVELOPING BLOCKCHAIN PROJECTS

CRC Press **Whether you are a project manager looking to lead blockchain projects, a developer who would like to create blockchain-based applications, or a student with an interest, this book will provide you with the foundational understanding that you need. You have probably noticed that blockchains are growing in popularity. Governments are investigating Digital Currencies, supply chains are adopting Digital Ledgers, games makers and artists are developing NFTs (Non-Fungible Tokens), and new use-cases are emerging regularly. With such growth, many people will find themselves needing to understand how these technologies work. There will be new project teams, with technical leads managing blockchain projects and developers creating distributed applications. This book is great for them as it explains the concepts on which blockchain technologies are based, in simple terms. We will discuss and explain topics such as hashing, Merkle trees, nodes, mining, proof of work and proof of stake, consensus mechanisms encryption, vulnerabilities, and much more. The structures and principles described will be relevant for developers and managers alike, and will be demonstrated through relevant examples throughout the text. If you are looking to understand this exciting new technology, this is the book for you.**

SCRIPTS PEOPLE LIVE

INTERNET PROGRAMMING

Technical Publications **This textbook provides comprehensive introduction to scripting languages that are used for creating web based applications. The book is divided into five different sections. In the first section the book introduces web site basics, HTTP, HTML5 and CSS3. The second and third section is based on client side and server side scripting. In these sections, the client side scripting such as JavaScript, DHTML and JSON is introduced. The sever side programming includes Servlet programming and JSP. In this section Java Database Connectivity is introduced and Simple Web Applications based on database connectivity have been developed. The fourth section deals with PHP and XML. The last section includes introduction to AJAX and Web Services. A database driven web service is developed and explained in step by step manner. At the end of the book some sample programs based on various scripting languages are given. The books helps the reader to learn the internet programming in the most lucid way. Various programming examples discussed in this book will motivate the students to learn the subject.**

RADIO SERIES SCRIPTS, 1930Ð2001

A CATALOG OF THE AMERICAN RADIO ARCHIVES COLLECTION

McFarland Who were the 35 actors that performed with stars Bud Abbott and Lou Costello in radio's The Abbott and Costello Show? Do scripts survive for the old Burns and Allen shows or the children's crime fighter series The Green Hornet? Serious researchers and curious browsers interested in Golden Age radio will find a wealth of information in this reference collection. Most are from the 1930s, 1940s and 1950s, though subsequent decades are included for long-running shows. Crime series, whodunits, romances, situation comedies, variety shows, soap operas, quiz show series and others are included. Casual browsers will find tidbits on the radio careers of notables from other media (Humphrey Bogart, Ginger Rogers), mention of adaptations by famous authors (Jack London, Ray Bradbury), curious episode titles ("The Gorilla That Always Said Yeh-ah") and series titles (Whispering Streets), and interesting sponsors (Insect-O-Blitz). The first section is an alphabetical list of T.O. Library's significant radio script collections, with notes on their content and format. The second section is the guide to series scripts by program title. Entries include title and basic information, including collection(s) in which they are found; producers, directors, writers, musicians and regular cast; sponsors; and holdings by date, episode number and title. Increasing the book's usefulness for researchers are indexes by name, program and sponsor.

LITERACY PRIMER

Peter Lang The Literacy Primer is devoted to the most recent topics in literacy studies, such as the meanings of literacy, the invention of alphabetic writing, a history of reading, the consequences of literacy, teaching the two modes of knowing - literary and informational - and literacy for diverse learners. Each chapter includes a glossary of key terms for students new to the field. A list of selected resources and further readings is provided at the end of the volume. The book is written in a refreshingly straightforward style that is inviting to undergraduate students who might otherwise have difficulty learning about the subject.

RICHARD YATES UP CLOSE

THE WRITER AND HIS WORKS

McFarland Richard Yates has been referred to as America's least known great writer. Today Yates is known primarily for the novel Revolutionary Road, considered by many critics as the greatest American novel of the second half of the twentieth century. This critical study examines the life and work of Yates by placing his body of work in both cultural and personal context. Topics covered include the writing of his major novels, homosexuality, his role as a critic, and his relationship with Hollywood. This text divulges new details about his life and offers a thorough analysis of unpublished materials from the Richard Yates archives at Boston University.

MONSTER TOWN - ORIGINAL PILOT SCREENPLAY

THE ORIGINAL PILOT TELEVISION SCRIPT/SCREENPLAY FROM THE MIND OF BEST SELLING NOVELIST NICHOLAS BLACK AND BRANDO EATON

Createspace Independent Publishing Platform Monster Town: The Original Pilot Screenplay Based on the Best Selling Novels of Nicholas Blackby Nicholas Black & Brando Eaton BONUS: We want to see how YOU and your FRIENDS can ACT OUT A SCENE or an ACT. Step 1 - Read the Script Step 2 - Act out a Scene or Act with you and your friends as the characters Step 3 - Post it to YouTube and send us a link! * * When you email us the link, we will send you the entire See Jack Die Series for FREE! Email: nicholasblack60@gmail.com What you are about to read is the actual Television Pilot Script for Monster Town. Reading a script is a much more engaging experience and we think you'll enjoy seeing the transition between novel and screenplay as it unfolds. It's Important that we cover the bases as far as reading a Screenplay. Reading a screenplay is not simply a "read", it is a re-read, or a creative act, it's engagement actively with the emotional life of these characters. When you are reading a screenplay you have to try and experience the characters in their world. Sometimes the world itself is a character. Reading a screenplay is a visual experience, more so than a novel. To read a screenplay or script effectively you have to both see and hear the characters and keep your mind open and sensitive not just what they are doing and saying, but what is implied and suggested by their actions. When you read from inside the story, rather than simply as an objective spectator, you can interact with the characters at nearly the same emotional level at which they are functioning. You are truly reading a script effectively when you are able to emotionally respond to the truth of the elements that comprise the main story. When you are trying to understand the truth of a screenplay you need to separate your own personal truths, or those that we believe society (or the imagined society) of the writer. You only need to concern yourself with the truth of the script, immersing yourself in the details and beauty of the script without letting the outside world influence and color your thoughts. Reading a screenplay is not only an art but it can be incredibly entertaining. You must be able to both here and see what is actually occurring intellectually, emotionally, and physically within the world created by the story and writers. You can't allow yourself to assume more or less than what is written about the characters and what they are doing. You have to get rid of any personal tendencies to judge the characters based on anything other than what is actually happening in the action and dialogue that you read. Don't think, don't hope, don't assume... Leave your expectations and prejudices on the title page. Reading a screenplay is a lot like meditation in that it will naturally occur in front of you, surrounding you, and immersing you in a new world. Screenplays and scripts are incredibly interactive in the experience leaves you inside the most intricate details of our dynamic and thought-provoking new world. I have included some basic reading tips for understanding the structure of a script. Generally speaking, a single page represents one minute of screen time. You'll find them a few pages down, just before the beginning of the script. Please let me know your thoughts, and for anyone who leaves a review I'll send you the PDF of SEE JACK DIE as a token of my Appreciation:). Simply email me proof of your review and I'll send you the book nicholasblack60@gmail.com

THE NUTSHELL TECHNIQUE

CRACK THE SECRET OF SUCCESSFUL SCREENWRITING

University of Texas Press Veteran script consultant Jill Chamberlain discovered in her work that an astounding 99 percent of first-time screenwriters don't know how to tell a story. These writers may know how to format a script, write snappy dialogue, and set a scene. They may have interesting characters and perhaps some clever plot devices. But, invariably, while they may have the kernel of a good idea for a screenplay, they fail to tell a story. What the 99 percent do instead is present a situation. In order to explain the difference, Chamberlain created the Nutshell Technique, a method whereby writers identify eight dynamic, interconnected elements that are required to successfully tell a story. Now, for the first time, Chamberlain presents her unique method in book form with The Nutshell Technique: Crack the Secret of Successful Screenwriting. Using easy-to-follow diagrams ("nutshells"), she thoroughly explains how the Nutshell Technique can make or break a film script. Chamberlain takes readers step-by-step through thirty classic and contemporary movies, showing how such dissimilar screenplays as Casablanca, Chinatown, Pulp Fiction, The Usual Suspects, Little Miss Sunshine, Juno, Silver Linings Playbook, and Argo all have the same system working behind the scenes, and she teaches readers exactly how to apply these principles to their own screenwriting. Learn the Nutshell Technique, and you'll discover how to turn a mere situation into a truly compelling screenplay story.

BEING THERE AND THE EVOLUTION OF A SCREENPLAY

3 DRAFT SCRIPTS WITH COMMENTARY

Bloomsbury Publishing USA **Being There and the Evolution of a Screenplay provides an insightful look at the drafting of one of Hollywood history's greatest scripts. Being There (1979) is generally considered the final film in Hal Ashby's triumphant 1970s career, which included the likes of Harold and Maude (1971) and Shampoo (1975). The film also showcases Peter Sellers's last great performance. In 2005, the Writers Guild of America included Being There on its list of 101 Best Scripts. Being There and the Evolution of a Screenplay features three versions of the script: an early draft by Jerzy Kosinski, based on his 1970 novel; a second by long-time Ashby collaborator and Oscar-winner Robert C. Jones, which makes substantial changes to Kosinki's; and a final draft written by Jones with Ashby's assistance, which makes further structural and narrative changes. Additionally, the book features facsimile pages from one of Kosinski's copy of the scripts that include handwritten notes, providing readers with valuable insight into the redrafting process. For each version, Ashby scholar Aaron Hunter adds perceptive analysis of the script's development, the relationships of the writers who worked on it, and key studio and production details. This is both a presentation of the script of Being There, and a record of the process of crafting that script – a text that will be of interest to film fans and scholars as well as writers and teachers of screenwriting. Evolution of a Screenplay is the first book of its kind to so amply demonstrate the creative development of a Hollywood script.**
