STOP CALLING ME CHRISTIAN

DISCOVERING THE TRUE GOSPEL OF JESUS

WestBow Press **The word Christian has many connotations, and depending on one's personal beliefs and experiences, they may be positive or negative. Regardless, we must acknowledge that it has become an extremely polarizing word today. In Stop Calling Me Christian, author Josh Nelson shares his personal story of faith, where he went from a so-called "Christian" to a man truly dedicated to honoring Christ and applying the gospel in his life. Introducing us to the notion of Phariseeism—a disease of the heart and mind that can leave godly believers blind, hopeless, and standing on a weakened faith—Josh shows how this disease can be cured through listening to and truly hearing God's Word. And by learning about the path of authentic discipleship, you too can discover the life in Jesus that you always desired. Many of us believe we are living the good Christian life, yet there is a reason why our prayers may seem to go unanswered, as if God is not there. But he is always with us, and we must make it the focus of our lives to seek him and reflect the character of his son.**

With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

A CALL TO CHRISTIAN FORMATION

HOW THEOLOGY MAKES SENSE OF OUR WORLD

Baker Academic This book shows that theology is both integrally related to formation in Jesus Christ and shapes our understanding of the world. Christian formation is incomplete and impossible without theological formation, because Christ transforms our hearts and minds, attuning them to the reality of God. As the authors explore the deep connections between theology and the life of the Christian, they emphasize Christian formation as a defining feature of the church, arguing that theology must be integrally connected to the church's traditions and practices.

CHRISTIAN FOUNDATIONS

SIX FONDATIONAL DOCTRINES FROM HEBREWS

CreateSpace The believer's life is often compared in the Bible to the construction of a building. The foundation of a building is the most important part, as the size, weight and height of a building will depend on the depth, width and materials of the foundation. Once a foundation is set, then a dwelling can be erected and inhabited. These 'Six Foundational Truths' of Hebrews Chapter Six: repentance, faith, baptisms, laying on of hands, resurrection of the dead, and eternal judgment; are the primary and vital spiritual foundations that must be laid solidly in a believers life. The cause for every problem in the Christians life both for young and old believers goes right back to these foundational truths. This book contains a vital call to "Go on to Perfection." Psalm 11:3 "If the foundations be destroyed, what can the righteous do?"

FULL SERVICE

MOVING FROM SELF-SERVE CHRISTIANITY TO TOTAL SERVANTHOOD

Baker Books Although servanthood is often discussed as an important part of leadership, it is also the basic calling of every follower of Jesus Christ. Siang-Yang Tan takes a fresh approach to servanthood, exploring it as loving obedience to God in and of itself, regardless of personal greatness, fulfillment, or success. He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life. Tan's focus on servanthood alone--in contrast to the many books on servant-leadership--will appeal to pastors, church leaders, and all Christians interested in a biblical perspective on servanthood.

THE BONDSERVANT'S LIFE

FOUNDATION FOR UNDERSTANDING PROPHECY AND A CALL TO MATURITY, LOVE, AND UNITY IN THE KNOWLEDGE OF GOD

Foundation work is necessary for every believer to become an authentic follower of Christ and remain steadfast during the trials of life. Contrary to popular belief, following Christ involves more than a decision it is a call to serve God in love, loyalty, and radical commitment. The goal is transformation and living in wholehearted devotion to God. A biblical foundation requires growth in the knowledge of God and commitment to walk out that knowledge in spirit and truth. This forms the basis for the bondservant identity. A heart postured to serve God out of love and loyalty leads to unity within the believing community and friendship with God. From this place of friendship, God reveals His prophetic plans to prepare His people for what lies ahead. Throughout the book, the author emphasizes relationship with God and the development of a genuine walk of faith in Christ grounded in the Word. The author explores foundational topics with application for the believer's life so the believer can operate in faith founded on truth. With careful scholarship, the author addresses controversial matters and difficult passages with insight and the goal of promoting unity. While volumes have been written about each topic in this book, the reader will find the answers needed to build a solid foundation based on the Word in this one comprehensive work. From this foundation, love and unity can flourish, and the door to understanding prophecy can be opened in the timing and purpose of God. The Bondservant's Life will fuel your desire to go deeper in relationship with God, broaden your view of God's Word, provoke you to examine your faith, and challenge your understanding of true community among believers.

IN HIS SERVICE

THE CHRISTIAN CALLING TO CHARITY

Chalcedon Foundation The Christian faith once meant that a believer responded to a dark world by word and by deed. However, a modern, self-centered church has isolated the faith to a pietism that relinquishes charitable responsibility to the state. The end result has been the empowering of a humanistic world order. In addition, God's great and redeeming power is virtually limited to saving souls from eternal destruction. In Biblical terms, the priority is God's Kingdom first, and all our acts of mercy and benevolence must be in terms of that grand mission. We are God's servants - we dare not expect God to serve our needs ahead of His Kingdom. It is now difficult for the church to recover the Biblical meaning of words like charity and compassion because post-World War II liberalism has redefined them politically into state welfarism. This redefinition has made charity a political tool to retain social order and made the state the primary agency of compassion. Charity is no longer personal. But Biblical compassion flows from our having first received the grace of God and then manifesting it to others. Therefore, Biblical charity - which is compassion in action - is personal: it begins with God's mercy towards us, and then the people of God give expression to that at an individual level. It is in His service that we understand our calling to charity. In this book, Rushdoony elucidates the Christian's calling to charity and its implications for godly dominion. In an age when Christian action is viewed in political terms, a return to Christian works of compassion and Godly service will help usher in a return of the reign of God as no piece of legislation ever could.

HERALD OF GOSPEL LIBERTY

BIBLICAL FOUNDATION FOR LEADERSHIP

Christian Faith Publishing, Inc. The dynamic of leadership, there is an age-old debate about whether true leader is born or made. It is about spiritual leadership giving guide to the church, which is an organism not just an organization, and the manual is the Bible. The tool for leading the flock of God is prayer and the Word of God. Leadership is influence. As leaders, we are to influence others by setting good examples and be a servant leader. They are servant leaders because they follow Jesus. "Did not come to be served, but to serve." A leader with inquisitiveness, initiative, and involvement. The Delegate of Leadership from Exodus 18:12-27 helps us

to know that we can't do it alone. Jethro's counsel was to delegate authority to others in judging the people while Moses remained a mediator between the people and God. Minor responsibilities were to be given to good men. These men were to have the following traits, many which are similar to the requirements for leadership in the church. "To empower the people to share the burden the work is too heavy for you; you cannot handle it alone " (Exod. 18:18). The essential for leadership is to get people motivated for the tasks. In the book of Nehemiah, I called it the Nehemiah principles of leadership. I learn that Nehemiah was a man who became consumed with a burden. In his example, we are reminded that whenever God uses a person to accomplish his work, it all begins with a burden. The book reveals that what was going in the heart of Nehemiah was the call of God upon him. How to handle obstacles in leadership. First thing to do is pray. We must rely on God and respected the opposition and refused to quit. Keep our eye on the big picture. Learn to pick our battle to fight. We must learn to exercise humility when opposition come our way
