*Red Wheel/Weiser* **College costs are straining every family except the richest. Most financial aid goes to the neediest families. The middle class typically doesn't qualify for need-based financial aid, even though most can't afford to pay cash for college and their salaries haven't allowed them to save enough to cover all costs. If you've been asking how your child can receive a quality education even though you can't pay today's college tuition out of pocket, The Complete Guide to Paying for College is the answer. This step-by-step guide includes actionable tips to save on education costs and the many living expenses—room, board, books, activities—that apply to the first year and beyond. Leah Ingram—a money-saving expert and parent of two college students—reveals the “insider tricks” to pay for college, including: How to find bona fide scholarships, not spam and scams. Where parents can work to receive tuition benefits. The pros and cons of earning college credits before graduating high school. Which schools give out the most merit aid, even if you're not a rocket scientist. Paying for college just got a lot easier for millions of families!**
