The Face of Water A Translator on Beauty and Meaning in the Bible Vintage Making clear that she is not a Biblical scholar, cleric, theologian, or philosopher, Sarah Ruden-a Quaker-speaks plainly and accessibly in this inspiring book. She argues that while the Bible has always mattered profoundly, its modern translations often lack clarity and vitality. Singling out the most famous passages, such as the Genesis creation story, the Ten Commandments, the Lord's Prayer, and the Beatitudes, Ruden reexamines and retranslates from the Hebrew and Greek, illuminating what has been misunderstood and obscured in the standard English translations. By showing how the original texts more clearly reveal our cherished values, Ruden gives us an unprecedented understanding of what this extraordinary document was for its earliest readers and what it can still be for us today. The New Testament of Jesus Christ Faithfully Translated Into English, Out of the Authentical Latin, Diligently Conferred with the Greeke, and Other Editions in Divers Languages: with Annotations, and Other Necessarie Helpes, for the Better Understanding of the Text, and Specially for the Discoverie of Corruptions in Divers Late Translations, and for Cleering the Controversies in Religion of These Dayes: in the English College of Rhemes Holy Bible The Chrislam Muslim Translation of the Book of Mark Independently Published Introduction Blurb: A lot of people are confused about the differences between the Jesus of the KJV Bible, and the Jesus of the Quran of Islam. Christians oftentimes are so ignorant of Islam, and Mormonism, that they argue that the Quran, or Book of Mormon, can't be true if they contradict the KJV Bible, because they don't understand that the Quran says that the Bible was altered by copyist transcribers onto decaying scrolls repeatedly like the most credible historians and the NIV Bible itself says as well, while Joseph Smith said the Bible was mistranslated if it disagrees with Mormonism. This book explains the differences between the Quran and KJV Bible, and then it translates the book of Mark in the KJV Bible to instead be translated to say what the Quran says the gospel of Jesus originally said, while this book also reveals other evidence for why the Quran's version of Jesus could be possible. This book also reveals how 100% non-violent feminist Quranism Quran-only-Islam versions of the Quran are possible: like a Protestant Christian translation of the Quran, a Buddhist Quran, a Baha'i Quran, a Suffi Quran, a Yazdanism Quran, a Yarsanism Quran, a Gnostic Quran, a Scientology Quran like the Scientology Nation of Islam, a scientific Quran, an atheist Quran, a Deist Quran, a Pagan Quran, a Catholic Quran, a Freemason Quran, a monotheistic Hindu Quran, or other possible translations of the Quran. If the unscientific debunked untrustworthy Hadith like Bukhari are self-contradictory, contradict the Quran, and if each unscientific English Quran version contradicts itself in English, then this proves that new translations of the Quran, in a Quranist Quran-only-Islam, are possible. This book bridges the gap between Islam and Christianity, forming Chrislam as a stronger philosophical force in the world as a religion that is historically possible based on many different types of arguments. For comedic purposes the following sentence is used. Welcome to: the new world order, the forging of a one world religion from out of all of the world's major religions, the signing of the 7th age peace covenant by someone born with six letters in each of their three names whose last name is similar to that of President Obama's former campaign manager, a seven year peace treaty that will be signed every seven years by people with six letters in each of their three names on social media, the beginning of moving towards a United Nations one world government, and a big Illuminati sun eye of enlightenment that might actually be what is on the cover of this book hidden in plain sight instead of a bottomless pit of hellfire being what is actually on this book's cover. Conspiracy theories are very silly. Gandhi, and Baha'i, are some of the most famous versions of Chrislam that have emerged in the past. Gandhi said he was a Christian, a Muslim, a Hindu, and a Jew in the award winning Gandhi movie, and you can also listen to his audio books on Audible, while Baha'i audio books explain how Chrislam is possible as well. Baha'i also explains that the Mahdi could have already come, and that the Islamic prophesied apocalypse already could have happened, and was misunderstood in the metaphorical self-contradictory inaccurate Hadith, and mistranslated Quran, while Quranism eliminates the Hadith entirely so that the misinterpreted Quran could be translated in many 100% non-violent mystical Suffi, or Yazdanism, ways. Large portions of whole countries in Africa full of millions of people are practicing Chrislam today as a major world religion, while many major churches across the USA have both a Quran, and a Bible, in their churches, the same as in many Freemason temples of interfaith dialogue of peaceful Chrislam. If Quranism is true then there could be no Dajjal so there is nothing to fear? Jesus - A Master Teacher Author House Jesus - a Master Teacher by Roy Pitcher Synopsis for cover The success of Jesus as a teacher is both proverbial and fascinating - especially for a teacher.....but can his many strategies and methods go beyond religious teaching and be translated widely into the 21st century? That is the question Roy Pitcher asked. His positive conclusions are described in three parts. - An analysis of Jesus' situation, decisions and methods. - An examination of seven inter-related social psychological themes evident in his teaching. - A translation and application to our contemporary scene of eight strategies and a planning model that can be applied to wide ranging age groups and areas of teaching. By George Pilkington The Story of Jesus and His Love for You Experience the life and love of Jesus as told in the book of John. The Story of Jesus is the biographical account of Jesus' supernatural birth, controversial life, unjust death, confirmed resurrection, and promised return to earth as told by John, the beloved disciple. This book is a resource to introduce Jesus' life and the work of his Spirit to invite seekers, encourage saints, and challenge skeptics. Possibly the best-known verse in the Bible is John 3:16, which demonstrates how much God loves each and every one of us: "He gave his uniquely conceived Son as a gift. So now everyone who believes in him will never perish but experience everlasting life." What a gift! What a promise! The Passion Translation is a new, heart-level translation that expresses God's fiery heart of love to this generation using Hebrew, Greek, and Aramaic manuscripts, merging the emotion and life-changing truth of God's Word. Jesus Only What Christ's Living and Dying Mean for You iUniverse For almost 2,000 years millions of readers of the Gospels have found them to be self-authenticating-the "inner witness" of their divine inspiration is given to all who read with a surrendered will. Dr. Desmond Ford, who has studied the New Testament records for nearly 70 years, believes that thoughtful readers of this devotional study will have that experience. This book is Christ-centered, Cross-centered, and gospel-centered. Those who give it close attention will conclude that compared to the knowledge of the glad tidings from Matthew, Mark, Luke, and John, all other knowledge is chaff. Gems from scores of Christian scholars are encapsulated in these pages. To gather them can make anyone richer than Solomon. The Life of Our Lord and Saviour Jesus Christ ...
