## The Viking Book of Poetry of the English-speaking World

For other editions, see Author Catalog.

## Norse America

## The Story of a Founding Myth

Oxford University Press The story of the Vikings in North America as both fact and fiction, from the westward expansion of the Norse across the North Atlantic in the tenth and eleventh centuries to the myths and fabrications about their presence there that have developed in recent centuries. Tracking the saga of the Norse across the North Atlantic to America, Norse America sets the record straight about the idea that the Vikings 'discovered' America. The journey described is a continuum, with evidence-based history and archaeology at one end, and fake history and outright fraud at the other. In between there lies a huge expanse of uncertainty: sagas that may contain shards of

truth, characters that may be partly historical, real archaeology that may be interpreted through the fictions of saga, and fragmentary evidence open to responsible and irresponsible interpretation. Norse America is a book that tells two stories. The first is the westward expansion of the Norse across the North Atlantic in the tenth and eleventh centuries, settling in Greenland and establishing a shore station at L'Anse aux Meadows in Newfoundland (to which a chapter of the book is devoted) and ending (but not culminating) in a fleeting and ill-documented presence on the shores of the North American mainland. The second is the appropriation and enhancement of the westward narrative by Canadians and Americans who want America to have had white North European origins, who therefore want the Vikings to have 'discovered' America, and who in the advancement of that thesis have been willing to twist and manufacture evidence in support of claims grounded in an ideology of racial superiority.

## The Viking Isles

### Travels in Orkney and Shetland

Birlinn Paul Murton has long had a love of the Viking north - the island groups of Orkney and Shetland and the old counties of Caithness and Sutherland - which, for centuries, were part of the Nordic world as depicted in the great classic the Orkneyinga Saga. Today this fascinating Scandinavian legacy can be found everywhere - in physical remains, place-names, local traditions and folklore, and much else besides. This is a personal account of Paul's travels in the Viking north. Full of observation, history, anecdote and encounters with those who live there, it also serves as a practical guide to the many places of interest. From a sing-along with the Shanty Yell Boys to fishing off Muckle Flugga, from sword dancing with the men of Papa Stour to a Norwegian pub crawl in Lerwick, Paul paints a vivid picture of these lands and their people, and explores their extraordinary rich heritage.

### Breaking Away from the Textbook

### Creative Ways to Teach World History

R&L Education Teaching history should not be reciting an endless list of dead men, entombed between the covers of a textbook. Instead, *Breaking Away from the Textbook* offers a fascinating journey through world history. Not a comprehensive, theory-heavy guide, this book focuses on active classroom activities, methods for students to grapple with humanity's issues, and innovative ways to show students the relevance of the past to the world today. Simply put, this book makes world history fun. Soon, your students will be busy debating, thinking, applying, and learning about information that will stay with them for a lifetime. The key to this wonderful work is its incorporation of various disciplines including art, music, and writing to create a fun and active classroom. Volume I covers prehistory to the Renaissance and Volume II covers the Enlightenment to the 20th century. Includes pictures and drawings, appendices, indexes, maps, and a bibliography. Volume III: *More Creative Ways to Teach World History* covers ancient times through the 20th century and beyond. Appropriate for all grade levels.

### Guts & Glory: The Vikings

Little, Brown Books for Young Readers History comes alive for kids like no textbook can in this epic account of the time of the Vikings that's perfect for history buffs and reluctant readers! Contains awesome illustrations! From battle-axe-wielding tribes plundering the greatest cities of Europe to powerful kings and queens ruling their dominions with iron fists, the Vikings were some of the most feared and fearless figures in European history. Find the bravest heroes, the most menacing villains, and unbelievably awesome facts and myths inside this action-packed overview that will amaze kids with tales of a people so incredible...it's hard to believe they were real. History buff and popular blogger Ben Thompson's lively storytelling style brings the Vikings back to life in this second book in the exhilarating *Guts & Glory* series!

### Viking Power Course - Ancient Knowledge, Modern Use! - A 7 Part Course

## Canadian History for Dummies

**John Wiley & Sons** A wild ride through Canadian history, fully revised and updated! This new edition of **Canadian History For Dummies** takes readers on a thrilling ride through Canadian history, from indigenous native cultures and early French and British settlements through Paul Martin's shaky minority government. This timely update features all the latest, up-to-the-minute findings in historical and archeological research. In his trademark irreverent style, **Will Ferguson** celebrates Canada's double-gold in hockey at the 2002 Olympics, investigates Jean Chrétien's decision not to participate in the war in Iraq, and dissects the recent sponsorship scandal.

## The Vikings

### Conquerors of the World

Were the Vikings barbarian raiders as they are often said to be or more? Discover the true story of the Vikings and their legacies to the World! Vikings. Even in the modern day, the very word conjures up the image of bearded, bloodthirsty men clad in chainmail and wielding battle-axes, hewing apart anyone who stood in the way of their pillaging and plundering. But, who really were the Vikings? Were they truly deserving of a reputation as greedy pirates and remorseless raiders? Or were the Vikings of ancient Scandinavia more than just simple barbarians and plunderers? In European history, the Viking Age spanned roughly from AD 700 to 1100. This was a period where the Nordic peoples enjoyed a significant military, economic, mercantile and population expansion. Enabled by their advanced seafaring skills and longships, many Vikings left Scandinavia and sailed to Britain, Ireland and other parts of Europe. At times their presence extended into the Mediterranean, North Africa, the Middle East and Central Asia. And the Vikings did more than merely travel to these places: they conquered and established settlements, communities, and policies in diverse areas of northwestern Europe, European Russia, the North Atlantic islands, and even as far as the north-eastern coast of North America. The spread of the Vikings disseminated Norse culture and also brought foreign cultural influences into Scandinavia, with profound historical consequences that would echo into later medieval periods. Popular modern conceptions of the Vikings often differ sharply from the actual, complex culture revealed by archaeological findings and other historical sources. Vikings have been alternately romanticized as noble savages and intrepid adventurers and reviled as bloodthirsty piratical raiders. To truly appreciate the profound impact that Viking culture and its legacy had on the development of medieval Europe, we must look beyond the modern-day clichés and stereotypes and examine the real facts about the rich, complex and complicated culture of the ancient Norsemen. In this book, find out: where the Vikings come from, their invasions and travels, how they led their daily lives, how and why they fought other peoples, their culture, their religious beliefs the Norse mythology, And plenty more! Scroll back up and order your copy today!

### The Genius of the Vikings

**Genius of the Ancients** Which innovative ideas and inventions began with the Vikings? Find out how the Vikings built their longships and set sail from their homeland, forging a path across the sea on raiding and trading expeditions. Discover how their brilliant developments in navigation, transportation, government, and language still influence the way we live today.

### The Vikings Reimagined

#### Reception, Recovery, Engagement

**Walter de Gruyter GmbH & Co KG** The Vikings Reimagined explores the changing perception of Norse and Viking cultures across different cultural forms, and the complex legacy of the Vikings in the present day. Bringing together experts in literature, history and heritage engagement, this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present. The diverse collection draws attention to the many roles that the Vikings play across contemporary culture: from the importance of Viking tourism, to the role of Norse sub-cultures in the formation of local and international identities. Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to 'reception' within the discipline.

### Viking

Daemon Blonde Publishing Our marriage was convenient until I fell for someone else. A filthy biker with a reputation for using his fists first and asking questions later, Victor "Viking" Kennedy wasn't under the illusion that his relationship with Bonnie Dubois had the makings of a grand love affair. She was a prima ballerina—a snobby bitch who knew she was sex-on-legs. She was also ripe for a walk on the wild side with him. Their understanding was mutual. A year-long fling that kept them both satisfied until she headed overseas to pursue her dancing career. It was good while it lasted. The perfect arrangement that took a wrong turn and ended with a surprise pregnancy followed by a shotgun wedding. Nowadays, they're just two parents doing their best to raise their son right. And, it was working until his VP's teenage daughter sashayed her way into their life and his wife made a confession that turned everything on its head. His selfish wife or his VP's off-limits daughter? When the man who prides himself on his loyalty is faced with an impossible choice, he quickly discovers both options come with lifelong repercussions. The Black Shamrocks MC: First Generation series is prequel series to the international bestselling Black Shamrocks MC series. It is set in the early 1980s and progresses through to the mid-1990s and tells the tale of the events that became the catalyst for the catastrophes in the original series. The original series does not need to be read first to understand this story—although we can't promise that you won't end up completely addicted to the Black Shamrocks MC and feel an overwhelming urge to meet their children as well. PLEASE NOTE: this story was originally published in 2018 under the same title. It has been revised, re-edited, and republished in 2022, although the main gist of the story remains the same. dark, gripping, dangerous, fast-paced, family contemporary, alpha, antihero, soul mates forced proximity, opposites attract, surprise baby outlaw, biker, MC, motorcycle club, gang, Australian, 80s, 90s, new adult, dark romance forbidden love, teenagers, shotgun wedding, secrets, villains, strong heroine, pregnancy

## Leif Eriksson

### His Forgotten Discovery of America

50Minutes.com Keen to learn but short on time? Get to grips with the life and travels of Leif Eriksson in next to no time with this concise guide. 50Minutes.com provides a clear and engaging analysis of Leif Eriksson's life and travels. The discovery of America has always been credited to Christopher Columbus. But in fact, America was discovered long before he was even born, by a Viking called Leif Eriksson. Eriksson travelled from Greenland to Canada and formed his own colony there, although it did not last long. While it may have been forgotten by many, his achievement is a remarkable show of determination and the Vikings' technological prowess. In just 50 minutes you will: • Learn about Leif Eriksson's life and what drove his ambition to discover new territories • Understand why Leif Eriksson travelled to America based on a rumour of an undiscovered land • Analyse why his discovery was forgotten about and how the truth is being gradually unveiled ABOUT 50MINUTES.COM | History & Culture 50MINUTES.COM will enable you to quickly understand the main events, people, conflicts and discoveries from world history that have shaped the world we live in today. Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery.

### Sir Cumference and the Viking's Map

Charlesbridge For fans of the Sir Cumference series with coordinate geometry on their mind, here is the seventh installment in this fun look at math and language. While riding through the forests of Angleland, cousins Per and Radius realize they are lost and are desperate for a map to guide them home. Soon they come across a mysterious house in the hills. Inside they find a map to a treasure belonging to Xaxon Yellowbearyd, the fiercest Viking warrior of his time. Per and Radius must decode the strange numbered grid on the map, while trying to steer clear of the pack of bungling bandits who are on their tail. Will they find the treasure in time? Cindy Neuschwander delivers yet another intriguing math adventure featuring the well-known characters of Angleland. Readers will enjoy following Per and Radius in their quest while learning how coordinate geometry relates to everyday life. Wayne Geehan's beautiful illustrations offer a bit of comic relief, while also clearly demonstrating the concepts explored in the story.

## Norse Mythology: Explore The Timeless Tales Of Norse Folklore, The Myths, History, Sagas & Legends of The Gods, Immortals, Magical Creatures, Vikings & More

Sofia Visconti The Norse god Odin was a relentless seeker of knowledge and wisdom, willing to sacrifice almost anything for this pursuit. Odin's hunger for wisdom is evident in many of the stories that involve him, and I invite you to share his willingness to let go of your reality and jump into the mysterious world of Norse Mythology. Norse Mythology presents a rich and complex collection of stories derived from Germanic roots. A fascination with the history and life of the Norse is growing. Movies and television series about their way of life have surged in popularity. What makes it so fascinating is not the stories in themselves, although some are truly a feast to the eyes, but how they came to be and what they mean for the people that live by them. Let's drink from the well of knowledge and jump into a realm of wonder, where nothing is as it seems! By the end of this book, you will be familiar with Norse Mythology and its ancient heritage of sagas, myths and legends. You'll discover who the Norse were, how they lived and how they influenced the modern world. And, of course, you'll know more about your favorite gods, such as how Odin became the ruler of the Aesir gods, how Thor got his famous hammer, and who Loki's children are. All this and much more including The Most Important & Powerful Gods & Goddess Discover The Vikings - Facts & Myths The Legend of Sigurd The Dragon Hunter + Sigurd Runes The Dangerous Draugr Creatures That Killed Any Humans They Laid Eyes Upon How Freya's Beauty Led to Mjolin's Theft The Legend of The Kraken (mysterious sea monsters said to swell in the waters of Greenland and Norway) Thor The God of Thunder & The Story of How He Got His Hammer Ragnarok - All You Need to Know About the End of the World And much, much more... Open a door to another world... ,a world of adventure, heroism, romance and mystery. Norse Mythology, your calling has been answered with this book.

### Runes for Beginners

## A Complete Guide to Discover the Ancient Viking Oracle Throught the Elder Futhark Runes. Reading Runes, Magic, Divination

**EYES HERE: Your Future is Well Within Sight! Harness the Power of Runes to Take Control of Your Future Using this Magical Guide! Did you know that psychics use runes to focus on a singular problem, so they can have a thorough reading of the past, present, and future? The Ancient Vikings have always viewed the future as highly changeable, therefore, well within one's control. In order for you to see what fate has in store for you, and influence your future, you must have a deep understanding of the actions and mistakes of the past, as well as what is happening in the present. Unfortunately, in-depth knowledge about rune reading is uncommon and hard to come by, leading people who want to master this magical art to a loss. Luckily for you, there's now a solution! Let me introduce you to Rebecca Hood's "Runes for Beginners", the COMPLETE guide to discovering ancient Viking oracles using Elder Futhark Runes! Here is where you will learn to read and interpret runes, so you can conjure magic and divination! Over the course of this magical guide, beginners like you will: Quickly learn the SECRETS to accurately predict the future and MASTER the ancient art of rune divination Ensure you survive and thrive in life by EXPERTLY harnessing the magic inside the runes for divine guidance Effortlessly access your subconscious and communicate with the universe on a spiritual level using ancient Viking rune casting tips And so much more! The use of runes for guidance, divination, and magic dates back to as early as 150 AD. It seems that in the modern world, where science and technology dominate society, runes are slowly being cast in the shadows... but not for long! In this fantastic guide, beginners like you will be able to channel ancient magic that lives inside runes, so you can predict the future and avoid repeating the mistakes of the past. Here is where you will be taken on a guided path to harnessing the universe's influence and using it to have the future you've always wanted! Scroll up, Click on "Buy Now with 1-Click", and Start Mastering the Art of Rune Reading Today!**

### My Lord Viking

Imajinn Books Be careful what you wish for . . . When Viking Nils Bjornsson turns his back on Valhalla to find his chieftain's stolen knife and erase the dishonor brought upon Nils's family, he appeals to the Norse gods to send him a handmaiden to help him fulfill his pledge. He should have remembered how the old gods like to meddle in the lives of mortals. Lady Linnea Sutherland knows her father wishes her to marry their neighbor, Lord Tuthill. It is the perfect match for a Regency miss. But Linnea is looking for a hero, a man who excites her heart as boring Lord Tuthill does not. When she discovers Nils injured on the shore, she gets caught up in helping this handsome, dangerous man complete the vow he made nearly a millennium before. But first she must teach this Viking how to act like a Regency gentleman. To help Nils means that Linnea must dare the ancient ways of his past and risk her future. In a game

played in the hall of Asgard, two human hearts are of little consequence, and love can become a blessing . . . or the ultimate weakness.

## The World of the Vikings

Explores the Viking ways with photographs, reconstruction of Viking ways, maps, antiquities, and history.
